PREAMBLE

In order to establish the background, context and frame of reference for this Agreement and to generally express the objectives and intentions of the respective parties herein, the following statements, representations, and explanations shall be accepted as predicates for the undertakings and the commitments included within the provisions which follow and may be relied upon by the parties as essential elements of the mutual considerations upon which this Agreement is based.

- 2.1 Title I of the Housing and Community Development Act of 1974, P.L. 93-383, consolidated several existing categorical programs for community development into a single program of Community Development Block Grants ("CDBG") for the purpose of allowing local discretion as to the determination of needs and priorities for a community development program. The needs and priorities of community development in Lauderhill were determined by the CITY Commission.
- 2.2 Pursuant to 24 CFR 570.200(a) and 570.301 of the Rules and Regulations of H.U.D., the Project(s) were included in the Lauderhill Community Development Block Grant Program submission to H.U.D. It was determined that the proposals funded under this Project(s) would address one or more of the following three national objectives:
 - (a) Activities benefiting low and moderate-income persons.
 - (b) Activities which aid in the prevention or elimination of slums or blight.
 - (c) Activities designed to meet community development needs having a particular urgency.
- 2.3 Under the Rules and Regulations of H.U.D., CITY is administrator for the Program and CITY is mandated to comply with various statutes, rules, and regulations of the United States and the Rules and Regulations of H.U.D., as to the allocation and expenditure of funds as well as protecting the interests of certain classes of individuals who reside in Lauderhill, Florida.
- 2.4 CITY is mandated by H.U.D. to conduct all programs and activities relating to housing and community development in a manner, which will affirmatively further fair housing.
- 2.5 CITY is desirous of disbursing the funds to SUBGRANTEE. However, as administrator for the Program, CITY desires to obtain assurances from SUBGRANTEE, and SUBGRANTEE so assures CITY, that SUBGRANTEE will comply with the statutes, rules, and regulations of the United States, the rules and regulations of H.U.D., the State of Florida, and applicable codes and regulations of CITY relating to the Project(s) and the Program, as a condition precedent to the release of such funds to SUBGRANTEE.
- 2.6 Any SUBGRANTEE found to be taking actions designed to discourage affordable housing for sale or rent within the confines of LAUDERHILL is not eligible to receive CDBG funds.

- 2.7 This Agreement is subject to the availability of funds as more specifically described in Article IV and Article XII hereof.

ARTICLE III

PROJECT(S)

SUBGRANTEE agrees to provide and implement the following eligible Project(s):

PROGRAM DESCRIPTION

CDBG funds will be allocated for the purpose of funding to the Windermere Condominium Association, Inc. for neighborhood improvements to revitalize deteriorated structures and enhance community appearance in the Central Lauderhill community.

Summary Explanation/ Background:

In partnership with the City and Central Lauderhill CRA, the Lauderhill Housing Authority (LHA) has sought to alleviate slum and blight in the Central Lauderhill area through the targeted acquisition and rehabilitation of deteriorated properties. To date, LHA has purchased 30+ units in Windermere Condominiums and 16 quadplex units in Sunshine Villas which is adjacent to the Condominiums. Currently, renovations are taking place in the interior of the units which include: remodeling outdated kitchens and bathrooms, installing new flooring, replacing damaged windows, conducting electrical work, and other repairs as needed. While the renovations have helped to provide safe and decent conditions on the interior, the exterior of the properties are still badly in need of repair.

The attached proposal details the need to make immediate emergency repairs throughout the Windermere Community. Common area items such as balcony railings and stairwells are broken or missing altogether. Lighting is poor in the community and many light poles and fixtures must be replaced in order to address safety issues and combat neighborhood crime. In addition, items such as sprinkler system replacement, paving and landscaping will be addressed. Because the majority of repairs are deemed to be of an emergency nature, this request would allow for expedited funding to the Association instead of risking the safety of our residents while funding is accumulated over time.

Windermere is one of several communities that has been deeply affected by the housing crisis and the current vacancy rate is greater than 30%. This trend has led to an increase in vandalism, squatting and overall crime. The goal of the Housing Authority is to rehabilitate the deteriorated units and convert them into attractive, affordable housing for our residents. Through the City's State Housing Initiatives Partnership (SHIP) program, qualified residents will be offered a down payment assistance grant to aid in the purchase of a Windermere residence. By

committing to increase the homeownership rate LHA will be able to stabilize the community and decrease crime.

The advent of the **Safe Neighborhoods Improvement District** for Windermere and Tree Gardens Associations will greatly assist in the betterment of the community. Proposed improvements such as a guard gate and security cameras will help to keep transient people out of the neighborhood and reduce drug activity. Other improvements currently proposed are the extension of the greenway on 55th Ave down to Windermere and Tree Gardens. In order to accomplish this task the current parking on 55th Ave in front of Windermere will be relocated. In addition, streetscape lighting, landscaping and painting of the community's buildings will be done. Finally, the Safe Neighborhoods initiative will provide for expanded police protection in the area through the assignment of officers that will be solely dedicated to this zone.

Grace Period: The City of Lauderhill grants a one year grace period under this agreement for repayment of the loan.

Loan Forgiveness: The Windermere Condominium Association, Inc. may apply for the benefit of Loan Forgiveness, if it elects, for forgiveness of the principal and interest remaining on the loan, after the completion of 120 on-time payments.

WINDERMERE CONDOMINIUM ASSOCIATION, INC. CDBG PROPOSAL

WINDERMERE CONDOMINIUM ASSOCIATION, INC.
CDBG PROJECT PROPOSAL

CDBG funds will be allocated for the purpose of funding to the Windermere Condominium Association, Inc. for neighborhood improvements to revitalize deteriorated structures and enhance community appearance in the Central Lauderhill community.

Summary Explanation/ Background:

In partnership with the City and Central Lauderhill CRA, the Lauderhill Housing Authority (LHA) has sought to alleviate slum and blight in the Central Lauderhill area through the targeted acquisition and rehabilitation of deteriorated properties. To date, LHA has purchased 30+ units in Windermere Condominiums and 16 quadplex units in Sunshine Villas which is adjacent to the Condominiums. Currently, renovations are taking place in the interior of the units which include: remodeling outdated kitchens and bathrooms, installing new flooring, replacing damaged windows, conducting electrical work, and other repairs as needed. While the renovations have helped to provide safe and decent conditions on the interior, the exterior of the properties are still badly in need of repair.

The attached proposal details the need to make immediate emergency repairs throughout the Windermere Community. Common area items such as balcony railings and stairwells are broken or missing altogether. Lighting is poor in the community and many light poles and fixtures must be replaced in order to address safety issues and combat neighborhood crime. In addition, items such as sprinkler system replacement, paving and landscaping will be addressed. Because the majority of repairs are deemed to be of an emergency nature, this request would allow for expedited funding to the Association instead of risking the safety of our residents while funding is accumulated over time.

Windermere is one of several communities that has been deeply affected by the housing crisis and the current vacancy rate is greater than 30%. This trend has led to an increase in vandalism, squatting and overall crime. The goal of the Housing Authority is to rehabilitate the deteriorated units and convert them into attractive, affordable housing for our residents.

Through the City's State Housing Initiatives Partnership (SHIP) program, qualified residents will be offered a down payment assistance grant to aid in the purchase of a Windermere residence. By committing to increase the homeownership rate LHA will be able to stabilize the community and decrease crime.

The advent of the **Safe Neighborhoods Improvement District** for Windermere and Tree Gardens Associations will greatly assist in the betterment of the community. Proposed improvements such as a guard gate and security cameras will help to keep transient people out of the neighborhood and reduce drug activity. Other improvements currently proposed are the extension of the greenway on 55th Ave down to Windermere and Tree Gardens. In order to accomplish this task the current parking on 55th Ave in front of Windermere will be relocated. In addition, streetscape lighting, landscaping and painting of the community's buildings will be done. Finally, the Safe Neighborhoods initiative will provide for expanded police protection in the area through the assignment of officers that will be solely dedicated to this zone.

Cost Summary/ Fiscal Impact: The proposed improvements will cost the City approximately \$781,000. Funding will be provided by offering a combination of a low-interest loan and a grant. CDBG funds will be allocated for this purpose.

Grace Period: The City of Lauderhill grants a one year grace period under this agreement for repayment of the loan.

Loan Forgiveness: The Windermere Condominium Association, Inc. may apply for the benefit of Loan Forgiveness, if it elects, for forgiveness of the principal and interest remaining on the loan, after the completion of 120 on-time payments.
