## Text of Legislative File 12-0249

**Request action:** Adopt the Resolution

**Need:** A delegation request or plat note amendment is needed in order to change the square feet allowed for bank use from 8,000 to 14, 000 to accommodate the construction of a 4,039 square feet bank building with three drive- through teller lanes on a 1.15±acre site. The Land Development Regulations (LDR) does not specifically address delegation requests but historically the LDR has been interpreted to require Commission action.

**Summary Explanation/ Background:** The Baytree of Inverrary plat (PB 146 Page44) contains a note (Plat Note 12) that restricts development to 180,000 square feet for commercial use, 20,000 square feet for office use, 8,000 square feet for bank use, and a 150-room hotel use.

The request for the Plat Note Amendment (16-PL-002) is to change the square feet allowed for bank use from 8,000 to 14, 000 to accommodate the construction of a 4,039 square feet bank building with three drive- through teller lanes.

**Staff Recommendation:** Planning and Zoning staff recommends the City Commission adopt the proposed Resolution.

**Attachments:** Resolution and Baytree of Inverrary plat (PB 146 Page44)

**Cost Summary/ Fiscal Impact:** Staff finds the implementation of this Resolution will not require a budget allocation or expenditure of City funds and concludes it does not have any direct fiscal impact on the City's budget.

**Estimated Time for Presentation:**5 minutes
