EXHIBIT "A"

PROJECT DESCRIPTION and COMPLIANCE MANUAL

Program Description: Commercial Façade Improvements

Per 24 CFR 570.202(a)(3), "rehabilitation of privately or privately owned and commercial or industrial buildings, except that the rehabilitation of such buildings owned by a private for-profit business is limited to improvement to the exterior of the building, abatement of asbestos hazards, lead-based paint hazard evaluation and reduction, and the correction of code violations;

Under the Commercial Façade program, the City of Lauderhill will provide assistance to the Lauderhill Community Redevelopment Agency (CRA), Central Lauderhill Area, located on the southeast corner of 55th Avenue and 19th Street through a subrecipient agreement.

Eligible Service Area:

Per 24 CFR 570.208(a)(1)(i) – (1) "An activity, the benefits of which are available to all the residents in a particular area where at least 51 percent of the residents are low and moderate income persons. Such an area need not be conterminous with census tracts or other officially recognized boundaries but must be the entire area served by the activity. An activity that serves an area that is not primarily residential in character shall not qualify under this criterion".

Lauderhill Community Redevelopment Agency Responsibilities:

- Manage CDBG funding in the amount of ~~\$335,000~~ **\$400,000**
- Submit all copies of purchase orders, invoices, and corresponding backup for payment (i.e. permits, before and after pictures, etc.)
- Administer program in accordance with City of Lauderhill guidelines established in 24 CFR 570 and the City's CDBG Annual Action Plan.
- CDBG regulations governing program include, but not limited to:
 - Davis Bacon and Labor Standards Requirements.
 - Lead based paint testing and abatement as needed
 - Maximum low mod area income must be less than 80% of County median
 - Federal procurement procedures apply to selection of contractor
 - Pull Wage Decisions and Lock-in Date
 - Verify and document debarment status of selected contractor(s).
- Provide City with scope of services and tax assessment prior to committing CDBG funds

City Responsibilities:

- Review tax assessed value and scope of work to determine after rehab value of property meets CDBG guidelines
- Provide verification of debarment status from online SAM database
- Collect signed Federal Labor Standards Provision form HUD-4010

- Collect all original copies of Certified Payroll for the duration of the project from CRA
- Disburse funds upon submittal of Exhibit F and all applicable attachments

To determine if the Service Area complies with these requirements, the CRA must follow the following steps:

- i. Identify which area (known as the "Service Area") is being served by the business and determine which census tracts and block groups or portion thereof, comprise this Service Area in the following manner:
 - a. Mark in a census map the location of the business to be assisted;
 - b. Identify the boundaries of the Service Area for such business;
 - Identify the census tract where the business is located;
 - Identify the census tracts surrounding the business;
 - List all the census block groups within the Service Area;
 - List all the corresponding number of low to moderate income persons and total population for each of the census block groups in the Service Area (Exhibit "I").
- ii. Determine the number of low and moderate income persons being served in the Service Area is 51% or higher than the total service Area population in the following manner (Exhibit "I"):
 - a. Add up the number of low and moderate income persons in each block group (total population for the block group) in the service Area;
 - b. Add up the number of all person, low/mod and non-low/mod, in each block group in the service Area;
 - c. Divide the total of low/mod population by the number of people in each block group to obtain the percentage of low to moderate income persons in Service Area is 51% or higher.
- iii. Ensure that the Service Area is primarily residential. The CRA must determine that the services being provided by the business are available to all resident of the Service Area and that the business is serving residential customers. If unsure how to do this, contact the Office of Business and Neighborhood Enrichment Division.

Commercial Façade Project Costs:

The dollar limitation for this project is ~~\$335,000~~ \$400,000.00 for the Commercial Façade Program. However, the City of Lauderhill may evaluate the project and, at its sole discretion, approve/disapprove a higher dollar limit. The CRA must request approval from the City Manager or his designee, in writing, from the City prior to commencing any work.

Reimbursement Procedure:

For Soft Costs:

1. CRA must submit the Commercial Façade Reimbursement Request Form.
2. Requests for soft costs payments should be made at least on a monthly basis.
3. Reimbursements requests should be submitted to the City within thirty (30) calendar days after the indebtedness has been incurred.
4. Each written request for payment shall contain a statement declaring and affirming that services were provided to certified program participants and in accordance with the approved work program and program budget. All documentation in support of watch

request shall be subject to review and approval by the City at the time the request is made.

5. In addition to the request for payment, the CRA must submit a Budget to Actual Expenditure Report along with the documents supporting expenditures.
6. Verifiable hours of service related to soft costs are those hours of service provided by the CRA that can be substantiated by the payroll and other pertinent records and which are reasonable, necessary, and directly allocable to the business participating in the commercial façade program from the CRA, in accordance with Davis Bacon and Labor Standards.
7. All expenditures must be verified with a copy of the original invoice and a copy of a check other form of payment which was used to pay that specific invoice. Within sixty (60) days of submitting each reimbursement request, copies of the cancelled checks or other City approved document(s) evidencing the payments made by the CRA, for which reimbursement was requested, shall be submitted. In the event that an invoice is paid from multiple funding sources, the copy of the invoice must indicate the exact amount (allocation) paid by those multiple funding sources equaling the total of the invoice. No miscellaneous categories shall be accepted as part of the line-item budget.
8. Absent the completion of a commercial façade project, the City will pay up to one half the amount of the grant for soft costs to the CRA. Once the CRA documents the implementation of the required commercial façade projects and equivalent to the soft cost paid by the City, payments will resume.
9. During the term thereof and for a period of five (5) years following the date of the payment made hereunder, the City shall have the right to review and audit the related records of the CRA pertaining to any payments by the City.
10. The CRA must submit the request for final payment to the City within ten (10) calendar days following the expiration date or termination date of this agreement in a form to be provided by Office of Business and Neighborhood Enrichment Division. If the CRA fails to comply with this requirement, the CRA may forfeit all rights to payment and the City may not honor any requests submitted thereafter. The final reimbursement request might not be processed if the close-out package has not been properly completed and submitted to the Office of Business and Neighborhood Enrichment Division by the due date.

For Soft Costs:

1. CRA must submit the Commercial Façade Reimbursement Request Form (Exhibit "F") along with the Commercial Façade Project Reimbursement Package Checklist. (Exhibit "H").
Packages that are missing any documents listed in Exhibit "G" or having incorrect dates will be returned to the CRA within three (3) business days.
2. Reimbursements request should be submitted to the City as treatments are completed.
3. During the term thereof and for a period of five (5) years following the date of the payment, made hereunder, the City shall have the right to review and audit the related records of the CRA pertaining to any payments by the City.
