Requested Action:

Need:

Summary Explanation/ Background:

The Florida Department of Transportation has allotted funds to improve roadways within the city of

Lauderhill under the Financial Project ID 429569-5-52-01. These improvements include widening, resurface and restriping existing roadways (portions of Inverrary Boulevard West, NW 55th Avenue, and Environ Boulevard), construction of sidewalk and installation of ADA compliant pedestrian ramps at intersections. These improvements will come at a minimal to the city as long as the city agrees to maintain the areas improved after project completion.
