Good afternoon Talaya,

This letter is to confirm that we are a fully certified, full-service John Deere equipment dealer. We specialize in the John Deere "Turf" division, which means we sell John Deere commercial-grade zero-turn mowers, stand-on mowers, Gator utility vehicles, and any other equipment or parts classified under John Deere turf. We also sell all the necessary parts for the above equipment, and we have a fully-certified service/repair facility at our location here in Coral Springs, FL.

Please contact me any time at Bfeldman@greenthumbmowers.com or 954-993-7309 if any questions or to discuss further. We are standing by to support the city of Lauderhill.

Thank you,

Ben
