The foregoing shall not be construed to require that the preliminary Assessment Roll be in printed form if the amount of the Fire Rescue Assessment for each parcel of property can be determined by the use of a computer terminal available to the public.

(C) It is hereby ascertained, determined, and declared that the method of determining the Fire Rescue Assessments for fire rescue services as set forth in this Preliminary Rate Resolution is a fair and reasonable method of apportioning the Fire Rescue Assessed Cost among parcels of Assessed Property located within the City.
