Total:					\$134,236.00

Notes and Clarifying Exceptions

- 1. Delivery Schedule:** The deliveries quoted reflect current materials availability and are subject to change. Deliveries will be confirmed at the time of order placement. Any drawing review hold requirements that prevent procurement of materials will impact the quoted deliveries. All items are subject to prior sales.
- 2. Packaging:** The price quoted includes standard domestic packaging (for indoor storage). If packing for long term storage, outdoor storage, or for export are required there would be an additional charge. Any special customer specifications for packaging are subject to additional charges.
- 3. Testing, Reports, Certificates, Procedures, Witness:** Actuator will be functionally tested at the factory prior to shipping. Once actuator is mounted on valve, a second functional test will be performed.
- 4. Specifications:** This proposal has been prepared per the supplied instrument data sheets included in the Inquiry. If any of the inquiry information changes, we reserve the right to revise our quotation accordingly.
- 5. Inspection:** Inspection is not applicable to this Inquiry.

- 6. Third Party Inspection:** Third party inspection is not included and would be from the account of the purchasing party if required. Any inspection requirements would have to be reviewed by our principals for acceptance.
- 7. Cancellation>Returns:** In the event of an order, the material quoted is non-cancellable and non-returnable. Specific cancellation charges would be determined at time of request with regards to material being ordered, order entry, drawings, etc.
- 8. Warranty:** The standard Sunbelt warranty period of "twelve (12) months from the date material is installed or eighteen (18) months from shipment, whichever occurs first" would apply to material quoted.
- 9. Liquidated Damages Clause:** The seller objects to the inclusion of any liquidated damages clause or any Letter of Credit or bond requirements in any purchase order issued against the quotation.
- 10. Freight:** To be arranged by buyer.
- 11. Set-Off:** Sunbelt Supply will not accept any set-off clauses.
- 12. Order Entry:** Sunbelt Supply requires a firm P.O. with invoice and shipping addresses before any order will be processed.
- 13. Special Tools:** No special tools are required to install, commission, or test the offered equipment.
