

- #1.** The foregoing Whereas clauses are true and correct and are hereby incorporated herein by reference thereto.
- #2.** The CITY consents to the use of REMETERING on the subject PROPERTY, subject to the limitations set forth in this Agreement, in Chapter 21 of the Code of Ordinances of the City of Lauderhill, in any Federal, State, and Local Law or Administrative Rule, the South Florida Building Code, all as may be amended from time to time, the American Water Works Association ("AWWA"), and any applicable developer's agreement for the PROPERTY.
- #3.** OWNER is solely responsible for all costs associated with the REMETERING of the water meters on the PROPERTY, including, but not limited to, the cost of the installation of all water SUBMETERS and associated plumbing and shall obtain all required permits prior to the installation of same.
- #4.** The use of SUBMETERS shall be limited to the purpose of allocating the direct cost of water and sewer service to Individual Users, and should be billed at a rate consistent with the rate billed by the City, as provided in Section 21-47 of the City Code, as may be amended from time to time. At no time shall the OWNER be permitted to charge an Individual User more than the actual direct cost of the water and sewer consumption by that Individual Consumer Unit.
- #5.** OWNER will read the SUBMETERS on a periodic schedule and use the readings to determine the water use among the Individual Consumer Units, and others who shall be lawfully entitled to receive same.
- #6.** OWNER shall test and inspect all SUBMETERS within the time intervals recommended by the American Water Works Association ("AWWA") for the applicable size and type of SUBMETER, by a facility that is accredited and in compliance with AWWA Standards. However, in addition to the direct costs of the water and sewer services provided to the Individual User, the OWNER shall be entitled to charge a nominal fee to the Individual User to compensate for actual costs to the OWNER for preparation of billing and paperwork as can be justified by the OWNER. The CITY reserves the right, but not the obligation, to audit the prorated bills distributed to the Individual Users to verify that the aggregate amount charged to the Individual Users is not greater than the direct amount charged to the OWNER by the CITY. OWNER agrees to supply billing information to the CITY as requested.
- #8.** OWNER shall pay CITY an annual fee of Five Dollars (\$5.00) per unit on the PROPERTY for monitoring and auditing said REMETERING system as necessary. Said

- #12.** This AGREEMENT can be revoked at any time by the CITY for failure of the OWNER to comply with any provision of this Agreement, at which time OWNER shall immediately cease and desist all REMETERING activities. In addition, should OWNER fail to comply with any provision of this Agreement, the OWNER shall be fined at a rate of Two Thousand Five Hundred Dollars (\$2,500.00) per day per violation. Should OWNER fail to cure said violation within forty-five days after receipt of written notice by the CITY of said violation, the CITY shall have the right to remove all REMETERING devices from the PROPERTY. Said notice shall be deemed effective five (5) days after mailing. The CITY shall not be liable for any costs associated with the removal of said REMETERING devices and shall not be responsible for the reconnection or reinstallation of any such devices. OWNER shall reimburse CITY for the actual costs incurred by the CITY to remove said devices. OWNER shall not be permitted to continue REMETERING activities until the CITY has issued a written notice that said violation has been satisfactorily cured.
