Have you served on a City board before?

☐ Yes ☒ No

Why are you interested in serving on a board? If you have not attached a resume, please describe any qualifications, skills, and abilities you possess that would directly benefit this board.

I am excited to apply for a board position with the city because I am deeply committed to contributing to the growth, development, and well-being of our community. With a strong belief in the importance of educational needs of our children in the community and how this may interphase with local government. I am eager to use my skills and experience to make a meaningful impact on the decisions that shape the future of our students and the city. I have a passion for public service, a collaborative mindset, and a dedication to finding innovative solutions that address the needs and concerns of our residents. By serving on the board, I hope to help foster an inclusive, sustainable, and thriving environment where all members of the community can succeed and feel heard. I look forward to the opportunity to contribute my perspectives and work alongside fellow board members to achieve our collective goals.
