

**THIRD AMENDMENT TO REAL ESTATE DEVELOPMENT AGREEMENT  
AND ADDENDUM BETWEEN CITY OF LAUDERHILL  
AND LE PARC AT LAUDERHILL, LLC**

THIS THIRD AMENDMENT TO REAL ESTATE DEVELOPMENT AGREEMENT AND ADDENDUM (“**Third Amendment**”) is made and entered into as of the \_\_\_\_\_ day of \_\_\_\_\_, 2025 (“**Amendment Effective Date**”), by and between THE CITY OF LAUDERHILL, FLORIDA (“**City**”), and LE PARC AT LAUDERHILL, LLC (“**Developer**”, together with the City, collectively referred to as “**Parties**” and individually referred to as a “**Party**”).

W I T N E S S E T H:

**WHEREAS**, the City and Developer entered into that certain Real Estate Development Agreement dated April 9, 2019, as approved under Resolution No. 19R-04-67, (“**Initial Agreement**”) as amended by Addendum to Real Estate Development Agreement between the City of Lauderhill and Le Parc at Lauderhill, LLC dated August 2, 2022, as approved under Resolution No. 22R-07-152 (“**Addendum**”), as further amended by First Amendment to Real Estate Development Agreement and Addendum last signed on January 31, 2024, as authorized under Resolution No. \_\_\_\_\_, (“**First Amendment**”) and Second Amendment to Real Estate Development Agreement and Addendum between the City of Lauderhill and Le Parc at Lauderhill, LLC signed on \_\_\_\_\_, 2025 under Resolution No. \_\_\_\_\_ (“**Second Amendment**”, together with Initial Agreement, Addendum and First Amendment collectively referred to as “**Agreement**”);

**WHEREAS**, the Parties have agreed to amend the Agreement as set forth in this Third Amendment.

**NOW, THEREFORE**, for and in consideration of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt, adequacy and sufficiency of which is hereby acknowledged, the Parties intending to be legally bound, hereby agree as follows:

1. The recitations heretofore set forth are true and correct and are incorporated herein by this reference. The Agreement, as modified by this Third Amendment, remains in full force and effect. To the extent of any inconsistency between the terms and provisions of this Third Amendment and the terms of the Agreement, the terms of this Third Amendment shall supersede and control to the extent of such inconsistency. Terms not otherwise defined herein shall have the meaning set forth in the Agreement.

2. The Parties hereby agree that the last Whereas on page 2 of the First Amendment is deleted in its entirety, and there is no requirement with respect to the ability of the Developer to sell or transfer any interests it has in either the Developer and/or the Property and any such transfer shall not effect the incentives set forth in the Agreement to the extent that they would otherwise be applicable.

3. The Parties acknowledge and agree that the Developer proposes that it will develop or cause to be developed on the property owned by the Developer as set forth on Schedule 1,

attached hereto and made a part hereof (“**Developer Property**”), a minimum of 358 dwelling units which may be developed in accordance with a site plan approval as and when obtained from the City from time to time (“**Approved Site Plan**”).

4. The obligation in connection with Developer commencing construction of the Project (i.e., breaking ground and performing clearing, grubbing or other land development work) shall remain July 1, 2025 (“**Development Start Date**”). In the event that the Developer does not commence construction by the Development Start Date, as same may be extended as provided in this Third Amendment, then, as a “Claw Back”, the “**Incentive Benefit Period**” for utilization of the “**Tax Incentive**” (as hereafter defined) as provided in Section 8 below, shall be reduced by one (1) year for every month past the Development Start Date the Developer has not commenced construction of the Project.

5. The Parties recognize that the Developer intends to construct the Project in phases. Accordingly, the Developer shall obtain a certificate of occupancy or similar permit permitting occupancy (“**CO**”) within twenty-four (24) months after obtaining the first (1<sup>st</sup>) building permit for a building to be constructed on the Project with respect to at least fifty percent (50%) of the dwelling units to be constructed upon the Project, as contemplated by the Approved Site Plan, and the Developer shall obtain a CO for the balance of the dwelling units to be developed on the Property pursuant to the Approved Site Plan within thirty (30) months after obtaining such first building permit (obtaining such applicable CO as set forth above is “**Completion of Construction**”), as such date may be extended for events constituting force majeure as declared by state, county or City governmental authority. In the event that the Completion of Construction does not occur within the applicable time period set forth above, then, as a “Claw Back”, the remaining Tax Incentive shall be reduced by Two Hundred Fifty Thousand Dollars (\$250,000.00) for every month after the applicable Completion of Construction which did not timely occur.

6. Developer shall, simultaneous with the execution of this Third Amendment, execute and deliver to the City (i) a right-of-way easement in the form of Schedule 1, attached hereto and made a part hereof, executed by Developer (“**Parking Easement**”), which Right-of-Way Easement shall be promptly executed by the City and recorded in the Public Records of Broward County, Florida promptly after the execution of this Third Amendment, and (ii) a Special Warranty Deed in the form of Schedule 2, attached hereto and made a part hereof (“**Special Warranty Deed**”), which Special Warranty Deed shall be promptly recorded in the Public Records of Broward County, Florida after the execution of this Third Amendment.

7. The Parties agree that the acreage contained in the property conveyed pursuant to the Special Warranty Deed is and shall be considered as included in the calculation of the acreage of the Developer Property (even though the property described pursuant to the Special Warranty Deed is no longer owned by the Developer) for purposes of all government approvals, including but not limited to floor area, density per acre and other calculations in which the square footage or acreage is looked at in connection with such permit or other government approval. The provisions of this Section 6(ii) shall survive the execution, delivery and recording, of the Special Warranty Deed.

8. To the extent that the City shall notify the Developer in writing on or before \_\_\_\_\_ that it desires the Developer to construct NW 38<sup>th</sup> Avenue right-of-way and

improvements from NW 15<sup>th</sup> Street south of NW 13<sup>th</sup> Street, based on the plans and specifications which are prepared as required in the Development Agreement and as approved by the City, then, in that event, the Developer, upon obtaining a building permit for such improvements, shall construct such improvements. To the extent the City does not timely notify the Developer that it desires the Developer to construct such NW 38<sup>th</sup> Avenue, then the plans for said design and construction shall be delivered to the City and the City shall construct such NW38th Avenue.

9. The time period in which such \$9,312,325.95 reimbursement of increase in municipal taxes as set forth in Paragraph 2.a. of the First Amendment shall be commencing on the Development Start Date and ending on a date (such date being the "**Tax Incentive Period**") which is the earlier of such date as such \$9,312,325.95 reimbursement of taxes ("**Tax Incentive**") had been made or ten (10) years from Borrower obtaining the first CO for the improvements on the Property contemplated by the Approved Site Plan.

10. The address for Developer for purposes of notice is amended to be \_\_\_\_\_
