Consistent with Land Development Regulations Article IV., Part 4.0., Section 4.3., the expansion, alteration, enlargement or removal to another location of these uses is prohibited and shall be unlawful unless the City Commission amends this development order to allow such expansion, alteration, enlargement or removal to another location. Notwithstanding the above, through the site plan modification process, the City Commission delegates to the Development Review Committee (DRC) the authority to allow the floor plan to be altered; however, the DRC is without authority to allow the expansion, enlargement or removal of the uses to another location.

7. This special exception use development order shall be effective until March 15th, 2019 and shall then expire. The development order may be renewed for subsequent five-year periods provided additional industrial space is not needed as determined by the inventory of vacant industrial space within the industrial park and provided that the school has performed satisfactorily during the five year period.
8. If any of the uses requires as part of its operations Police Division Services, Eagles Nest Community Charter Schools, Inc.. shall be responsible for reimbursing the City for all such costs.
9. The City shall not issue or renew a local business tax receipt unless the local business tax receipt application includes evidence that a state license or similarly applicable document has been granted and is valid and unless a copy of an effective Emergency Management Plan is filed with the Fire Rescue Division. In addition, the Fire Rescue Division shall be provided by certified mail with a copy of any amendment to the Emergency Management Plan within 10-business days of the adoption of such amendment.
10. Any violation of these conditions of approval may result in a public hearing before the City Commission and may result in the modification, suspension or revocation of this special exception use development order or its conditions or both.
