Text of Legislative File 24R-5870

Request Action:

Briefly state the action requested of the Commission. What is the expected outcome of the action?

Request for the City Commission to accept Craig A. Smith & Associates' (CAS) proposal to provide engineering services during construction and construction observation/assistance services at the water treatment plant (WTP).

Need Summary Explanation/ Background:

Why is there a need for this action and provide summary/background?

The water treatment plant is currently undergoing major infrastructure improvements under contract with MKI Services Inc. These improvements consist of rehabilitation of the east accelerator lime softening unit, the two green leaf filters, sludge thickener, and west vacuum drum filter.

The scope of Craig A. Smith proposal will be broken out into two tasks while MKI Services is under contract:

The following Task are as follows:

Task 1. provide engineering services during construction

Task 2. construction observation services

Cost Summary/ Fiscal Impact:

Include projected cost, approved budget amount and account number, source of funds, and any future funding requirements

Task 1. (engineering services during construction) \$57,030

Task 2. (construction observation services) \$83,200

Total: \$140,230

The account to be used for this service is account number 401.918.6423 in the amount not to exceed \$140,230.00.
