8. LIENS; SUBORDINATIONS.

(a) Landlord represents and warrants that on the date of delivery of this Lease, fee simple title in the Premises was vested in Landlord subject only to permitted encumbrances and those matters created by Landlord, if any. (b) This Lease shall be subject and subordinate to all present and future mortgages ("**Mortgages**") on the fee interest in the Premises and to all advances made upon the security thereof, providing that such holder will recognize this Lease and not disturb Tenant's possession of the Premises in the event of foreclosure if no Event of Default is then in existence; and concurrently therewith Tenant shall execute and deliver an estoppel certificate. Tenant agrees to execute any reasonable instrument(s) as may be necessary to subordinate this Lease to the lien of any such Mortgage, and also to execute such instrument(s) recognizing the assignment of this Lease or the Basic Rent, Additional Rent and other sums payable by Tenant hereunder to the holder of any such Mortgage. The term "Mortgage" shall include deeds of trust or any other similar lien documents.

(c) Tenant agrees to attorn, from time to time, to the holder of each Mortgage and/or the holder of such subsequent mortgage, or any purchaser of the Premises, for the remainder of the Term, provided that such holder or such purchaser, shall then be entitled to possession of the Premises subject to the provisions of this Lease. The provisions of this subsection shall inure to the benefit of such holder or such purchaser, shall apply notwithstanding that, as a matter of law, this Lease may terminate upon the foreclosure of the Mortgage (in which event the parties shall execute a new lease for the remainder of the Term on the same terms set forth herein), shall be self-operative upon any such demand, and no further instrument shall be required to give effect to said provisions. Each such party, however, upon demand of the other, hereby agrees to execute, from time to time, instruments in confirmation of the foregoing provisions hereof, reasonably satisfactory to the requesting party acknowledging such subordination, non-disturbance and attornment as are provided herein and setting forth the terms and conditions of its tenancy.

management of the Premises by Tenant, (b) relating to the Premises and the appurtenances thereto and the use and occupancy thereof by Tenant or anyone claiming by, through or under Tenant or (c) arising or alleged to arise from or in connection with any of the following events: (i) any injury to, or death of, any person or any damage to or loss of property on or adjacent to the Premises or growing out of or directly or indirectly connected with, ownership, use, nonuse, occupancy, operation, possession, condition, construction, repair or rebuilding of the Premises; (ii) any claims by third parties resulting from any violation or alleged violation by Tenant of (A) any provision of this Lease, or (B) any Legal Requirement, or (C) any other lease or agreement relating to the Premises, or (D) any contract or agreement to which Tenant is a party or any restriction, law, ordinance or regulation, affecting the Premises or the ownership, use, nonuse, occupancy, condition, operation, possession, construction, repair or rebuilding thereof or of adjoining property, sidewalks, streets or ways; or (iii) Tenant's failure to pay in accordance with the terms and provisions hereof any item of Additional Rent or other sums payable by Tenant hereunder. Tenant shall not be liable in any case to any Indemnified Party for any liabilities, obligations, claims, damages, penalties, causes of action, costs or expenses to the extent that they result from the gross negligence or willful misconduct of such Indemnified Party. If Landlord, Landlord's Mortgagee, or any agent of Landlord or Landlord's Mortgagee, or any other Indemnified Party, shall be made a party to any such litigation commenced against Tenant, and if Tenant, at its expense, shall fail to provide Landlord or Landlord's Mortgagee or its agent or other Indemnified Party with counsel reasonably approved by such party, Tenant shall pay all costs and reasonable attorney's fees and expenses incurred or paid by Landlord or Landlord's Mortgagee or its agent or other Indemnified Party in connection with such litigation.

(b) The representations, warranties and obligations of Tenant, and the rights and remedies of each Indemnified Party under this Article 9, are in addition to and not in limitation of any other representations, warranties, obligations, rights and remedies provided in this Lease or otherwise at law or in equity, and shall survive the expiration or termination of this Lease.

(c) Tenant's obligation to indemnify each Indemnified Party will be reduced with respect to such Indemnified Party to the extent that Tenant suffers a loss due to the failure of such Indemnified Party (i) to notify Tenant promptly, in writing, of any claim and to provide Tenant with the opportunity to have reasonable input into the defense and/or settlement of the same or (ii) to cooperate with Tenant, at Tenant's expense, in the defense or settlement of any such claim. The foregoing indemnification obligations will not be applicable to any specific Indemnified Party to the extent that any such injuries, losses, expenses or damages are caused by the grossly negligent or willful wrongful acts or omissions of such Indemnified Party. Any Indemnified Party may, at its option, participate in the defense and settlement of any claim or liability under this clause at Tenant's expense; provided that if an Indemnified Party agrees to a settlement of such claim or liability without the written consent of Tenant (such consent not to be unreasonably withheld, conditioned or delayed), Tenant shall have no obligation to indemnify the Indemnified Party in connection with such settlement. Tenant shall not settle or compromise any claims, suits, demand or consent to the entry of any judgment thereon without the prior consent of each Indemnified Party, not to be unreasonably withheld, conditioned or delayed without an unconditional release of all liability by each claimant or plaintiff with respect to such Indemnified Party.

10. ENVIRONMENTAL MATTERS.

(i) at all times during the Term of this Lease, (x) the Premises, Tenant, and all other parties claiming by, through or under Tenant, shall comply with all applicable Environmental Laws; (y) Tenant, and all other parties claiming by, through or under Tenant, shall have obtained all permits, licenses, and any other authorizations required to conduct its or their operations at the Premises that are required under all applicable Environmental Laws and Tenant, and all other parties claiming by, through or under Tenant, shall be in compliance with the same; and (z) Tenant shall remove and dispose of any Hazardous Substances present on the Premises not in compliance with applicable Environmental Laws;

(ii) the Premises will not be used during the Term of this Lease to generate, manufacture, refine, produce or process any Hazardous Substance or to store, handle, treat, dispose, transfer or transport any Hazardous Substance other than normal and lawful uses of such Hazardous Substances in compliance with Environmental Laws which activities have not had and will not have any material adverse effect upon the Premises;

(iii) No above ground tanks or other containment structures will be constructed, operated or maintained in or on the Premises in violation of applicable Environmental Laws and no underground storage tanks are or will be constructed, operated or maintained in or on the Premises;

(b) Promptly upon obtaining Actual Knowledge thereof, Tenant shall give to Landlord notice of the occurrence of any of the following, in each case relating to the Premises or the use, occupancy or operation thereof in respect of any Environmental Law: (i) the failure of the Premises, Tenant, or invitee of Tenant, or any other party claiming by, through or under Tenant, to comply therewith in any manner whatsoever; (ii) the issuance to Tenant, of any portion of the Premises or any assignee of Tenant, or any other party claiming by, through or under Tenant, of any notice, complaint or order of violation or non-compliance therewith of any nature whatsoever; (iii) any notice of a pending or threatened investigation thereunder; (iv) any notice from any governmental agency requiring any corrective action with respect to the Premises thereunder; or (v) any notice or other communication with respect to a pending or threatened governmental or private party action relating to violation thereof.

(c) At any time (i) if an adverse change in the environmental condition of the Premises has occurred or been discovered, and if Tenant shall not (A) diligently commence to cure such condition, to the extent necessary to meet Legal Requirements, to comply fully with applicable Environmental Laws, and to prevent a material diminution in the fair market value of the Premises related to the environmental condition, within 30 days after Tenant becomes aware of such adverse change (or such shorter period as may be required by law or in the event of an emergency) and (B) thereafter diligently prosecute to completion such cure, or (ii) after an Event of Default has occurred and is continuing under this Lease, or (iii) if Landlord has reasonable cause to believe that Tenant is in default under this Article 10, Landlord may cause to be performed or direct Tenant to cause to be performed an environmental audit or site assessment of the Premises and the then uses thereof reasonable in scope under the circumstances, and may

take such actions as it may deem necessary to cure such condition or to cause the Premises to comply with any Legal Requirement. Such environmental audit or site assessment shall be performed by an engineer qualified by law and experience to perform the same and satisfactory to Landlord, shall include a review of the uses of the Premises and compliance of the same with all Environmental Laws, and shall include an estimate of the cost to cure any breach or default in Tenant's covenants hereunder. All costs and expenses incurred by Landlord in connection with such environmental audit or assessment and any remediation required shall be paid by Tenant upon demand, and shall bear interest at the Overdue Rate. Such audit or assessment shall be addressed to Landlord and Landlord's Mortgagee and shall provide expressly that they can rely on its findings. Except as required by law, the results of such audit or assessment shall not be disclosed to third parties by Landlord or Landlord's Mortgagee without the prior written consent of Tenant.

(d) In the event of a violation of or the discovery of a violation of any Environmental Law by Tenant, or any other Person claiming by, through or under Tenant, or resulting from Tenant's failure to comply with this Article 10, Tenant shall promptly perform all remedial actions to clean up, contain, or remove any Hazardous Substances on, under or in the Premises in accordance with, and as required by, applicable Environmental Laws to restore the Premises to its pre-contamination condition and otherwise to cure any such violation of any Environmental Law, all at Tenant's sole cost and expense. Tenant shall determine the nature and scope of all such required remedial actions within 30 days after obtaining Actual Knowledge of any such violation and shall complete all such actions within 120 days following the date that the nature and scope of such required remedial actions are identified, provided that if such remedial actions cannot be completed with diligence within such 120 day period, and so long as Tenant is performing such remedial actions with due diligence, the time within which such remedial actions may be completed shall be extended for such period as may be reasonably necessary to complete such remedial action with diligence, provided the same shall be subject to Landlord's approval and consistent with the requirements of applicable law. If, as a result of any such violation, a lien attaches to the Premises that takes priority over the lien of the Mortgage, Tenant shall promptly, and in any event within 10 days after the attachment of any such lien, discharge or contest such lien in accordance with Article 8(a) and post a bond or deposit an irrevocable letter of credit with Landlord's Mortgagee, in either event satisfactory in form and substance and with a surety or obligor satisfactory to Landlord's Mortgagee and in an amount sufficient to discharge such lien.

(e) In addition to, and not in limitation of, any indemnity contained in Article 9, Tenant agrees to indemnify, defend and hold harmless each Indemnified Party from and against any and all losses which may be suffered or incurred by, or asserted against such Indemnified Party to the extent arising directly or indirectly out of (i) the use, storage, transportation, disposal, treatment, release, threatened release, discharge, emission, generation or presence of any Hazardous Substances at, from, on, over, under or in the Premises, occurring during the Term of this Lease and regardless of the source of any such Hazardous Substances, or (ii) any default in the performance of any obligation under this Article 10 or any violation of any Environmental Law with respect to the Premises or by Tenant or any Person claiming by, through or under Tenant, or resulting from Tenant's failure to comply with this Article 10.

(f) The representations, warranties and obligations of Tenant, and the rights and remedies of each Indemnified Party under this Article 10, are in addition to and not in limitation of any other representations, warranties, obligations, rights and remedies provided in this Lease or otherwise at law or in equity.

(g) The obligations and liabilities of Tenant with respect to each Indemnified Party, actual or contingent, under this Article 10 and relating to the period through the end of the Term, whether arising during or after the Term, shall survive such termination of this Lease or the abandonment of the Premises by Tenant, or any acquisition or disposition of the Premises except with respect to events and circumstances resulting solely from the acts of any Person other than Tenant, any Affiliate of Tenant, or any Person claiming by or through Tenant or any such Affiliate and occurring after the foreclosure of the lien of the Mortgage and the sale of the Premises pursuant to such foreclosure.

(h) Tenant's obligation to indemnify each Indemnified Party under this Article 10 will be reduced with respect to such Indemnified Party to the extent that Tenant suffers a loss due to the failure of such Indemnified Party (i) to notify Tenant promptly, in writing, of any claim and to provide Tenant with the opportunity to have reasonable input into the defense and/or settlement of the same or (ii) to cooperate with Tenant, at Tenant's expense, in the defense or settlement of any such claim. The foregoing indemnification obligations under this Article 9 will not be applicable to any specific Indemnified Party to the extent that any such injuries, losses, expenses or damages are caused by the grossly negligent or willful wrongful acts or omissions of such Indemnified Party. Any Indemnified Party may, at its option, participate in the defense and settlement of any claim or liability under this Article 10 at Tenant's expense; provided that if an Indemnified Party agrees to a settlement of such claim or liability without the written consent of Tenant (such consent not to be unreasonably withheld, conditioned or delayed), Tenant shall have no obligation to indemnify the Indemnified Party in connection with such settlement. Tenant shall not settle or compromise any claims, suits, demand or consent to the entry of any judgment thereon without the prior consent of each Indemnified Party, not to be unreasonably withheld, conditioned or delayed without an unconditional release of all liability by each claimant or plaintiff with respect to such Indemnified Party.

If the entire Premises or Center are appropriated or taken under eminent domain or condemnation proceedings by any public or quasi-public authority, or a transfer or deed in lieu thereof (each being a "Taking"), this Lease shall terminate as of the date Tenant is required by the condemning authority to vacate the Premises, and Landlord and Tenant shall be released from liability accruing after that date and all Rent shall be apportioned and adjusted as of the date of termination.

(b) PARTIAL TAKING OF PREMISES. If (a) in excess of 20% of the Premises or the Common Areas are acquired by a Taking, or (b) a portion of the Premises which renders the Premises no longer one contiguous unit is acquired by a Taking, then Tenant at its election may terminate this Lease effective as of the date of the Taking by giving notice to Landlord within thirty (30) days following the date of surrendering possession, and in such event Rent shall be apportioned and adjusted as of the date of termination.

(c) RESTORATION; DISTRIBUTION OF PROCEEDS. If this Lease is not terminated under this Article 13, then Landlord shall within a reasonable time after the Taking, repair or rebuild what remains of the Premises for Tenant's occupancy to a complete architectural unit as similar as practical to that existing immediately prior to such Taking, and restore the

Center, including all Common Areas, to a condition suitable for the continued use of the Center for its intended purposes. Pending restoration of the Premises and Common Areas, the Rent payable by Tenant hereunder shall equitably abate (according to the nature and extent of the impairment of Tenant's ability to access and conduct business on the Premises), from the date of the Taking, until the earlier of (i) thirty (30) days after the date on which the Premises and Critical Common Areas are restored, or (ii) the date on which Tenant re-opens for business in the entire Premises. In the event of a partial Taking of the Premises, following reconstruction thereof, the Minimum Rent and Tenant's Share shall be adjusted based upon the proportion that the Floor Area of the Premises following such Taking bears to the Floor Area of the Premises immediately prior to such Taking, for the remainder of the Lease Term. Landlord reserves all rights to damages on account of any Taking.

(d) DAMAGE TO THE PREMISES AND COMMON AREAS. If the Premises is partially or wholly damaged by fire or other casualty, Landlord shall, within thirty (30) days after the date of the damage, deliver written notice to Tenant setting forth Landlord's good faith estimate of the time necessary for Landlord to complete the restoration of the Premises and the Critical Common Areas. Tenant may terminate this Lease upon ten (10) days written notice to Landlord at any time following a fire or casualty if the Premises and the Critical Common Areas (a) cannot reasonably be expected to be fully repaired or restored by Landlord within two hundred seventy (270) days after the date of the fire or casualty, or (b) are not fully restored within said 120 day period.

(e) DAMAGE TO THE BUILDING OR DEVELOPMENT. If the Building or Center are damaged by fire or other casualty, Landlord shall, within sixty (60) days after the date of the damage, deliver written notice to Tenant setting forth Landlord's good faith estimate of the time necessary for Landlord to complete the restoration of the Building and Center, the replacement value of the Building and Center and the estimated cost of the restoration. If the cost to restore the Building or Center is estimated to be fifty percent (50%) or more of the replacement value thereof as of the date such damage occurs, or if the restoration or repair of the same is reasonably estimated to take more than two hundred seventy (270) days from the date of such damage, then Landlord may terminate this Lease by giving written notice of such election to the other party within sixty (60) days from the date the damage occurs.

(f) EFFECT OF TERMINATION. Upon any termination under this Article 13, both parties shall be released from any further liability accruing hereunder, and Landlord shall immediately refund to Tenant any unearned Rent or other payments paid in advance and attributable after the date of damage. Landlord's obligation to refund any unearned Rent and other prepaid amounts under this Article 13 shall survive the termination of this Lease.

(g) RESTORATION. Unless this Lease is terminated under this Article 13, Landlord shall promptly commence to repair the damaged portions of the Premises (to the extent of Landlord's Work), Building and Center to the same condition as existed immediately prior to such damage, and Landlord shall complete such repair and restoration with due diligence. Pending restoration, the Rent payable by Tenant hereunder shall equitably abate (according to the nature and extent of the impairment of Tenant's ability to access and conduct business on the Premises), from the date of the damage, until the earlier of (i) thirty (30) days after the date on

which the Premises and Critical Common Areas are restored, or (ii) the date on which Tenant re-opens for business in the entire Premises.

14. INSURANCE.

(a) TENANT'S INSURANCE. Prior to the date Tenant takes possession of the Premises and continuing during the Lease Term, Tenant, at its expense, shall maintain the following insurance coverage: (a) commercial general liability insurance (including contractual liability coverage), with a minimum limit of \$1,000,000.00 per occurrence (with umbrella/excess coverage of at least \$2,000,000.00) for property damage, personal injury and bodily injury (including wrongful death) occurring in or about the Premises, insuring on an occurrence basis and naming Landlord as additional insured to the extent of Tenant's indemnification obligations hereunder; (b) if Tenant sells alcohol at the Premises, dram shop/liquor liability insurance with a minimum limit of \$1,000,000.00 per occurrence (with umbrella/excess coverage of at least \$2,000,000.00); (c) "Causes of Loss-Special Form" property insurance covering Tenant's leasehold improvements, trade fixtures, equipment and personal property installed or placed in the Premises by Tenant; (d) worker's compensation insurance with no less than the minimum limits required by law; and (e) employer's liability insurance, with minimum limits of not less than \$1,000,000, bodily injury each accident, \$1,000,000.00 bodily injury by disease policy limit, and \$1,000,000 bodily injury by disease each employee. Tenant shall deliver to Landlord certificates evidencing such coverage prior to taking possession of the Premises and at least ten (10) days prior to each renewal of said insurance.

(b) POLICY REQUIREMENTS. All of Tenant's insurance policies shall be issued by insurance companies that are authorized to do business in the state in which the Premises are located and which have a general policyholder's rating of not less than "A-" and a financial rating of not less than Class VII as rated in the most current available "Best's Insurance Reports." The insurance requirements contained in this ARTICLE (14) are independent of Tenant's and Landlord's waiver, indemnification and other obligations under this Lease and shall not be construed or interpreted in any way to restrict, limit or modify those obligations.

(c) TENANT'S INDEMNITY. To the fullest extent permitted by law, Tenant shall indemnify, defend (with legal counsel reasonably acceptable to Landlord) and hold harmless Landlord and Landlord's agents, partners, shareholders, officers, members, directors, employees, successors and assigns for, from and against any and all claims, actions, damages, injuries, liabilities, settlements, losses, penalties, litigation, demands, causes of action (whether in tort or contract, in law or at equity or otherwise), suits, proceedings, judgments, disbursements, charges, assessments and expenses (including reasonable attorneys', consultants' and experts' fees and expenses incurred in investigating, defending, or prosecuting any litigation, claim, or proceeding) (collectively, "**Claims**"), arising from or out of (a) any occurrence in, upon or about the Premises following the Possession Date, or (b) Tenant's breach or default in performance of any of its obligations under this Lease. Tenant shall list Landlord as an "Additional Insured" on its policy.

(d) WAIVER OF SUBROGATION. To the fullest extent permitted by law, each of Landlord and Tenant, on its own behalf and on behalf of its insurers, waives all right of recovery against the other (and any officers, directors, partners, shareholders, members, employees, agents

and representatives of the other) for, and agrees to release the other (and any officers, directors, partners, shareholders, members, employees, agents and representatives of the other) from liability for, loss or damage to the extent such loss or damage is covered by valid and collectible insurance in effect at the time of such loss or damage, or would be covered had the releasing party carried the insurance coverage required hereunder. THE FOREGOING WAIVER SHALL BE EFFECTIVE REGARDLESS OF THE FAULT OF EITHER PARTY, INCLUDING WITHOUT LIMITATION, THE NEGLIGENCE OF THE PARTY AGAINST WHOM CLAIMS ARE BEING WAIVED. If the release of either party, as set forth above, contravenes any law with respect to exculpatory agreements, the liability of the party in question shall be deemed not released but shall be secondary to the liability of the other's insurer. Landlord and Tenant shall each cause to be included in its property insurance policies covering the Premises and Center a waiver by the insurer of all right of subrogation against the other in connection with any loss or damage thereby insured against. All deductibles or self-insurance and any co-insurance requirements maintained by the waiving party shall be treated as self-insured retentions for purposes of the waivers in this ARTICLE 14(d).

15. SIGNAGE. Tenant shall be allowed to install Tenant's sign on the exterior of the Premises consistent with city codes, rules and regulations as specifically provided by Landlord and provided Tenant first obtains the written approval of Landlord, which approval shall not be unreasonably withheld and further provided Tenant first obtains the requisite permits, licenses and approvals from all applicable governmental authorities.

16. BUILD-OUT.

(a) TENANTS WORK. Tenant shall, at its sole cost and expense, install such leasehold improvements and trade fixtures and perform such other work in the Premises as Tenant deems necessary for its operation upon the Premises (collectively, "Tenant's Work") provided same is Subject to the prior written consent of Landlord, which consent shall not be unreasonably withheld and further provided Tenant first obtains the requisite permits, licenses and approvals from all applicable governmental authorities. Following Tenant's initial build-out of the Premises (if applicable), Tenant shall not make any structural or exterior alterations, additions or improvements to the Premises without Landlord's prior written consent, which consent shall not be unreasonably withheld.

(b) LANDLORD'S WORK. Landlord shall perform any buildout or renovations in its sole discretion as deemed necessary or required its sole discretion, in a good and workmanlike manner and in compliance with all applicable laws, codes, regulations and insurance requirements.

17. QUIET ENJOYMENT. So long as no Event of Default under this Lease shall have occurred and be continuing, Landlord covenants that Tenant shall and may at all times peaceably and quietly have, hold and enjoy the Premises during the Term of this Lease from any claim by, through, or under Landlord for the Operation of business and specific uses for which the Premises were leased as designated herein. Any promotional or special events require an approved special event permit from the city and prior written approval from Landlord. Notwithstanding the foregoing, (a) Landlord may exercise its rights and remedies under ARTICLE 21 and (b) Landlord, Landlord's Mortgagee, or their agents may enter upon and

inspect the Premises, during normal business hours after reasonable notice. Any failure by Landlord to comply with the foregoing warranty shall not give Tenant any right to cancel or terminate this Lease, or to abate, reduce or make deduction from or offset against any Basic Rent or Additional Rent or other sum payable under this Lease, or to fail to perform or observe any other covenant, agreement or obligation hereunder or to recover any damages against Landlord resulting therefrom. Subject to the foregoing sentence, Tenant shall have the right to obtain injunctive or other relief against Landlord for breach of the aforesaid covenant of peaceful and quiet possession and enjoyment of the Premises.

18. SURVIVAL. In the event of the termination of this Lease as herein provided, the obligations and liabilities of Tenant, actual or contingent, under this Lease which arose at or prior to such termination shall survive such termination.

19. SUBLETTING; ASSIGNMENT.

(i) Tenant may not sublet the Premises or any portion thereof or assign its interest in this Lease.

20. ADVANCES BY LANDLORD. If Tenant shall fail to make or perform any payment or act required by this Lease, then, upon ten (10) Business Days' notice to Tenant (or upon shorter notice or no notice, to the extent necessary to meet an emergency or a governmental limitation), Landlord may at its option make such payment or perform such act for the account of Tenant, and Landlord shall not thereby be deemed to have waived any default or released Tenant from any obligation hereunder. Amounts so paid by Landlord and all incidental costs and expenses (including reasonable attorneys' fees and expenses) incurred in connection with such payment or performance shall constitute Additional Rent and shall be paid by Tenant to Landlord on demand.

21. CONDITIONAL LIMITATIONS – EVENTS OF DEFAULT AND REMEDIES.

(a) Any of the following occurrences or acts shall constitute an “**Event of Default**” under this Lease:

(i) if Tenant shall (A) default in making payment of any installment of Basic Rent when due, or (B) default in making any payment of Additional Rent and such default shall continue for seven days after Tenant’s Actual Knowledge of such default, or (C) fail to keep in full force and effect any insurance coverage required to be maintained by Tenant hereunder or (D) fail to timely pay any Taxes and Impositions when due; or

(ii) if Tenant shall default in the performance of any other covenant, agreement or obligation on the part of Tenant to be performed under this Lease and such default shall continue for a period of 30 days after Actual Knowledge thereof; provided, however, that in the case of a default which can with reasonable diligence be remedied by Tenant, but not within a period of 30 days, if Tenant shall commence within such period of 30 days to remedy the default and thereafter shall prosecute the remedying of such default with all reasonable diligence, the period of time after obtaining such Actual Knowledge of default within which to remedy the default shall be extended for such period not to exceed an additional 60 days as may be reasonable to remedy the same with all reasonable diligence; or

(iii) if Tenant or any guarantor of Tenant's obligations under the Lease ("Guarantor") shall file a petition of bankruptcy or for reorganization or for an arrangement pursuant to the Bankruptcy Code, or shall be adjudicated a bankrupt or become insolvent or shall make an assignment for the benefit of its creditors, or shall admit in writing its inability to pay its debts generally as they become due, or shall be dissolved, or shall suspend payment of its obligations, or shall take any corporate action in furtherance of any of the foregoing; or

(iv) if a petition or answer shall be filed proposing the adjudication of Tenant or any Guarantor as a bankrupt, or its reorganization pursuant to the Bankruptcy Code, and (A) Tenant shall consent to the filing thereof, or (B) such petition or answer shall not be discharged or denied within 30 days after the filing thereof; or

(v) if a receiver, trustee or liquidator (or other similar official) shall be appointed for or take possession or charge of Tenant, or Tenant's estate or interest in the Premises, and shall not be discharged within 30 days thereafter, or if Tenant shall consent to or acquiesce in such appointment; or

(vi) if the Premises shall have been left unattended, unsecured and without maintenance for a period of more than thirty (30) days; or

(vii) if any Guarantor shall default under the terms of any guaranty of the Lease beyond applicable grace or cure periods, if any; or

(viii) if (a) Tenant or (b) any person conveying title to the Leased Premises to Landlord or (c) any Guarantor has made a material misrepresentation under this Lease or any Guaranty or any certificate or writing tendered in connection with the execution and delivery of this Lease; or

(b) This Lease and the term and estate hereby granted are subject to the limitation that whenever an Event of Default shall have occurred and be continuing, Landlord may, at Landlord's option, elect to (i) re-enter the Premises, without notice, and remove all Persons and property therefrom, either by summary proceedings or by any suitable action or proceeding at law, or otherwise, without being liable to indictment, prosecution or damages therefor, and may have, hold and enjoy the Premises, together with the appurtenances thereto and the improvements thereon; and/or (ii) terminate this Lease at any time by giving notice in writing to Tenant, electing to terminate this Lease and specifying the date of termination, and the Term of this Lease shall expire by limitation at midnight on the date specified in such notice as fully and completely as if said date were the date originally fixed for the expiration of the Term, and Tenant shall thereupon quit and peacefully surrender the Premises to Landlord, without any payment therefor by Landlord; and/or (iii) enforce all rights and remedies available to it in law and in equity, including without limitation the right of specific performance of any of Tenant's obligations hereunder.

In case of any such re-entry, termination and/or dispossession as provided in the immediately preceding paragraph, (i) the Basic Rent and Additional Rent shall become due thereupon and be paid up to the time of such re-entry, dispossession and/or termination, together with such expenses, including reasonable attorneys' fees, as Landlord shall incur in connection

with such re-entry, termination and/or dispossession; and (ii) Landlord may in good faith relet the Premises or any part thereof (but shall be under no obligation to do so except to the extent required by law) for its sole account, for a term or terms which may, at Landlord's option, be equal to or less than or exceed the period which would otherwise have constituted the balance of the Term; (iii) Tenant shall pay to Landlord the present value (using the Discount Rate) of the excess of the total rent reserved over the remainder of the Term over the rental value of the Premises as reasonably determined by Landlord for said residue of the Term.

Upon any reletting of the Premises, all rentals received by Landlord from such reletting shall be applied: first, as to the payment of any indebtedness, other than Basic Rent or Additional Rent, due hereunder from Tenant to Landlord; second, to the payment of any costs and expenses of such reletting, including, without limitation, brokerage fees, attorney's fees and costs of any alterations and repairs; third, to the payment of Basic Rent or Additional Rent due and unpaid hereunder; with the residue, if any, to be held by Landlord and applied in payment of future Basic Rent, Additional Rent and other charges as the same may become due and payable hereunder.

(c) No receipt of moneys by Landlord from Tenant after a termination of this Lease by Landlord shall reinstate, continue or extend the Term of this Lease or affect any notice theretofore given to Tenant, or operate as a waiver of the right of Landlord to enforce the payment of Basic Rent and Additional Rent, and any Termination Value or related amounts to be paid by Tenant to Landlord for the purchase of the Premises then due or thereafter falling due, it being agreed that after the commencement of suit for possession of the Premises, or after final order or judgment for the possession of the Premises, Landlord may demand, receive and collect any moneys due or thereafter falling due without in any manner affecting such suit, order or judgment, all such moneys collected being deemed payments on account of the use and occupation of the Premises or, at the election of Landlord, on account of Tenant's liability hereunder. Tenant hereby waives any and all rights of redemption provided by any law, statute or ordinance now in effect or which may hereafter be enacted.

(d) The word "re-enter", as used in this Lease, shall not be restricted to its technical legal meaning, but is used in the broadest sense. No such taking of possession of the Premises by Landlord shall constitute an election to terminate the Term of this Lease unless notice of such intention be given to Tenant or unless such termination be decreed by a court.

(e) If an action shall be brought for the enforcement of any provision of this Lease, in which it is found that an Event of Default has occurred, Tenant shall pay to Landlord all costs and other expenses which may become payable as a result thereof, including reasonable attorneys' fees and expenses.

(f) In the event Tenant shall wrongfully holdover after the expiration or termination of the Term of this Lease, and without derogating from any of Landlord's rights hereunder without granting any rights of possession to Tenant, Tenant shall be liable to Landlord for a use and occupancy fee, in an amount equal to 200% of the Basic Rent payable immediately prior to such expiration or termination for such period of holdover, plus all Additional Rent Tenant would have been liable for hereunder had such expiration or termination not occurred.

(g) No right or remedy herein conferred upon or reserved to Landlord is intended to be exclusive of any other right or remedy, and every right and remedy shall be cumulative and in addition to any other legal or equitable right or remedy given hereunder, or at any time existing. The failure of Landlord to insist upon the strict performance of any provision or to exercise any option, right, power or remedy contained in this Lease shall not be construed as a waiver or a relinquishment thereof for the future. Receipt by Landlord of any Basic Rent or Additional Rent or any other sum payable hereunder with knowledge of the breach of any provision contained in this Lease shall not constitute a waiver of such breach, and no waiver by Landlord of any provision of this Lease shall be deemed to have been made unless made under signature of an authorized representative of Landlord.

22. REAL ESTATE BROKERS. The Tenant and Landlord each represent and warrant to the other that they have not had any direct or indirect dealings with any real estate brokers, salesmen or agents in connection with the Property and this transaction. The Tenant will pay and will defend and hold the Seller harmless from and against any and all finder's and/or broker's commissions due or claimed to be due on account of this transaction and arising out of contracts made by or the acts of the Tenant. The Landlord will pay and defend and hold the Tenant harmless from and against any and all finder's and/or broker's commissions due or claimed to be due on account of this transaction and arising out of contracts made by or the acts of the Landlord.

23. RELOCATION/TERMINATION RIGHT.

(a) If Landlord elects to redevelop of all or any portion of the Center, then Landlord shall have the right to relocate Tenant from the Premises to other space within the Center (such other space hereinafter called the "**Substitute Premises**"). If Landlord desires to relocate Tenant to the Substitute Premises, Landlord shall deliver written notice to Tenant (the "**Relocation Notice**") which includes a description of the proposed Substitute Premises and the anticipated date of the relocation (the "**Relocation Date**"). The Relocation Date must be at least one hundred eighty (180) days after the delivery of the Relocation Notice. If Landlord delivers a Relocation Notice, Tenant shall, within thirty (30) days thereafter, deliver written notice to Landlord (a "**Tenant Notice**") under which Tenant shall elect one of the following: (a) to accept the relocation to the Substitute Premises described in the Relocation Notice; (b) to accept the relocation, subject to Landlord's and Tenant's agreement on a mutually acceptable Substitute Premises; or (c) reject the relocation. If Tenant does not deliver a timely Tenant Notice, and then fails again to deliver a Tenant Notice within ten (10) days after Landlord's delivery of a notice from Landlord stating that Tenant has not delivered a Tenant Notice, then Tenant shall be deemed to have rejected the relocation under clause (c) above, in which event Landlord shall have no right to relocate Tenant's premises, but shall have the option of terminating the lease, as set forth below.

(b) If Tenant accepts the relocation, but disapproves of the Substitute Premises proposed by Landlord, then Landlord and Tenant shall cooperate with one another, in good faith, to identify a mutually-acceptable Substitute Premises, which must have a Floor Area equal to or greater than the Premises, shall be similar thereto in configuration, quality, utility and condition, and shall have comparable frontage on and visibility from NW 31st Avenue. Notwithstanding the foregoing, if the Substitute Premises are larger than the Premises, there shall be no increase in

the Minimum Rent or Additional Rent set forth in the Lease. If Tenant rejects the relocation, or if Landlord and Tenant cannot agree on a Substitute Premises within sixty (60) days after Tenant's delivery of Tenant's Notice, Landlord may terminate this Lease upon one hundred eighty (180) days written notice to Tenant.

(c) Notwithstanding anything to the contrary contained in this Section 23, in the event Landlord determines in Landlord's sole discretion that Tenant relocation is not feasible, Landlord may upon written notice to Tenant ("**Notice of Termination**") terminate the subject Lease.

26. NO MERGER. Tenant agrees that there shall be no merger of this Lease or of any sublease under this Lease or of any leasehold or subleasehold estate hereby or thereby created with the fee or any other estate or ownership interest in the Premises or any part thereof by reason of the fact that the same entity may acquire or own or hold, directly or indirectly, (a) this Lease or any sublease or any leasehold or subleasehold estate created hereby or thereby or any

interest in this Lease or any such sublease or in any such leasehold or subleasehold estate and (b) the fee estate or other estate or ownership interest in the Premises or any part thereof.

27. SURRENDER.

(a) Upon the expiration or earlier termination of the Term of this Lease, Tenant shall peaceably leave and surrender the Premises to Landlord in the same condition in which the Premises was originally received from Landlord on the Interim Commencement Date, except as repaired, rebuilt, restored, altered or added to as required by or permitted by any provision of this Lease (ordinary wear and tear and the consequences of any Destruction resulting in the termination of this Lease pursuant to paragraph (c) of Article 12 hereof excepted). (b) Except for surrender upon the expiration or earlier termination of the Term hereof, no surrender to Landlord of this Lease or of the Premises shall be valid or effective unless agreed to and accepted in writing by Landlord.

28. SEPARABILITY. Each provision contained in this Lease shall be separate and independent and the breach of any such provision by Landlord shall not discharge or relieve Tenant from its obligation to perform each obligation of this Lease to be performed by Tenant. If any provision of this Lease or the application thereof to any Person or circumstance shall to any extent be invalid and unenforceable, the remainder of this Lease, or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Lease shall be valid and enforceable to the extent permitted by law.

Tenant as being necessary or appropriate in order to protect their respective interests in the Premises.

32. MISCELLANEOUS. This Lease shall be binding upon and shall inure to the benefit of and be enforceable by the parties hereto and their respective successors permitted hereunder. Nothing herein shall restrict the right of Landlord to convey the Premises or interests therein or interests in Landlord without the consent of Tenant. Recourse for the breach of any obligation of Landlord hereunder shall be limited to Landlord's interest in the Premises, and in no event shall Tenant have recourse to Landlord personally, its trustees or beneficiaries, or to any other assets of Landlord. To the extent Landlord or Landlord's Mortgagee, in its reasonable opinion, should at any time during the Term of this Lease require any additional documents to be executed by Tenant to further document Tenant's agreements hereunder or under any related documents, the Tenant shall immediately comply with said request and execute such documents. This Lease may not be amended, changed, waived, discharged or terminated orally, but only by an instrument specifically evidencing an intent to amend signed by the party against whom enforcement thereof is sought. No failure, delay, forbearance or indulgence on the part of any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, or as an acquiescence in any breach, nor shall any single or partial exercise of any right, power or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. This Lease and the rights and obligations in respect hereof shall be governed by, and construed and interpreted in accordance with, the laws of the state within which the Premises is located.
