### Text of Legislative File 19R-3250

**RESOLUTION NO. 19R-06-115: A RESOLUTION OF THE CITY OF LAUDERHILL ACCEPTING THE PROPOSAL FROM SOUTHERN UNDERGROUND UTILITIES IN AN AMOUNT NOT TO EXCEED \$82,309.00 FOR CONSTRUCTION SERVICES, LABOR, EQUIPMENT, MATERIAL AND INCIDENTALS TO REPLACE DEFECTIVE VALVES AND ADD NEW VALVES TO THE CITY'S WATER DISTRIBUTION SYSTEM ALONG N.W. 82ND AVENUE AND N.W. 50TH STREET; PROVIDING FOR PAYMENT FROM BUDGET CODE NUMBER 401-917-6372; PROVIDING FOR AN EFFECTIVE DATE (REQUESTED BY CITY MANAGER, CHARLES FARANDA).**

**Request Action:**

State the action requested of the Commission and why the action is necessary. What is the expected outcome of the action?

A request of the City Commission to approve a proposal in the amount not to exceed \$ 82,309.00 from Southern Underground Industries for construction services, labor, equipment, material and incidentals required to replace defective valves and add new ones to improve operations for the City's water distribution system along 82nd Avenue NW 50th street.

**Need:**

Why is there a need for this action?

The Utilities Division has embarked on a valve replacement program to replace old defective valves within the water distribution system and waste water collections system that have exceeded their life expectancy and does not operate adequately. During emergencies within the water distribution system and waste water collections system, large numbers of residents are impacted when specific valves in these systems are functioning inadequately.

**Summary Explanation/ Background:**

Provide a summary/background of this agenda request.

Aging infrastructure may cause large amounts of water/waste water loss if an area within these systems cannot be isolated through valve operation. There is a need for adding/replacing valves within water distribution system and waste water collections system in order to maintain a more flexible operation, attend to emergencies within these two systems, and execute maintenance activities to the infrastructure.

**Attachments:**

Number all attachments consecutively.

Attached are three separate quotes for the replacement of four 12 inch valves located at

NW 50th street and NW 82nd Ave.

**Cost Summary/ Fiscal Impact:**

Include projected cost, approved budget amount and account number, source of funds, and any future funding requirements

The cost associated with the replacement of four 12 inch valves amount to \$ 82,309.00 and the budget code to be used is 401.917.6372

**Estimated Time for Presentation:**

None

**Master Plan:**

**Goal 1: Clean, Green Sustainable Environment**

- Increase mass transit ridership
- Reduce City energy consumption
- Reduce water consumption

**Goal 2: Safe and Secure City of Lauderhill**

- Crime in lower 50% in Broward
- Residents feel safe in neighborhood
- Reduce emergency fatalities

**Goal 3: Open Spaces and Active Lifestyle for all ages**

- Increase participation in youth sports
