WHEREAS, Part III of Chapter 163, Florida Statutes, allows a county or municipality to create a Community Redevelopment Agency (CRA) to carry out redevelopment of slum or blighted areas when certain conditions exist; and

WHEREAS, examples of conditions that can support the creation of a CRA include the presence of substandard or inadequate structures, a shortage of affordable housing, or inadequate and insufficient roadways; and

WHEREAS, CRAs are community redevelopment programs designed to eliminate slum or blight conditions and to enhance quality of life and business conditions for residents and business owners in a community redevelopment area; and

WHEREAS, CRAs have proven historically to provide distressed communities with a better environment through improved infrastructure, preservation and growth of business and job opportunities; and

WHEREAS, these outcomes benefit both cities and the counties and, more importantly, their taxpayers; and

WHEREAS, there are numerous active CRAs in Florida, established to encourage new investment and job creation in urban areas that became blighted as a result of substantial growth moving away from urban core; and

WHEREAS, Lauderhill CRA has demonstrated its ability to encourage economic growth in the City through investments in infrastructure and local businesses within the CRA district; and

WHEREAS, Senate Bill 1242 and House Bill 991 provide for the termination of all CRAs in Florida at a date certain (September 30, 2045) or the date of expiration of the CRA; and

WHEREAS, Senate Bill 1242 and House Bill 991 prohibit CRAs from starting any new projects or issue any new debt on or after October 1, 2025; and

WHEREAS, the City Commission of the City of Lauderhill believes that it is in the best interest of the City to express its strong opposition to Senate Bill 1242 and House Bill 991.
