To: Constance Stanley, Chief of Police
From: Allen Siegel, Deputy Chief of Police
Date: July 1, 2024
Subject: Use of State Law Enforcement Trust Funds

In 2013, the police department purchased new Glock 22 firearms, utilizing State Law Enforcement Trust Funds, to replace earlier model Glock firearms that were beginning to have routine failures. Over the last eleven years, significant advances have been made in firearms sighting systems, making it better for officers to ensure they are on target, reducing liabilities. Additionally, there has been a movement, in local law enforcement, away from the .40 caliber round currently used by our department and going to a .9mm round. Finally, our weapons are more than ten years old and some are beginning to have mechanical failures.

The Police Department is requesting to utilize State Law Enforcement Trust Funds to purchase new firearms and the ancillary equipment needed to outfit our officers. Additionally, utilizing these funds, we are requesting to purchase the .9mm ammunition that is needed for the training and transition. The requested funds are not to exceed \$210,000. Funding for this purchase can be found in the State Law Enforcement Trust Fund, budget account 120.

Subject: Release of State Law Enforcement Trust Funds

The police department is requesting to purchase items using State Law Enforcement Trust Funds. Funds for this purchase can be found in the Law Enforcement Trust Fund, account number 1206839935. The purchase is not expected to exceed \$210,000.

This memorandum is to request that the Office of Management and Budget place the transfer of these funds on the same Commission Agenda as the requested items. This will eliminate any delays for the purchase of these items if approved by Commission.

Your consideration in this matter is greatly appreciated.
