Request Action:

Requesting the City Commission to approve the Sixth Amendment to the Interlocal Agreement between Broward County and the City of Lauderhill to provide for Community Shuttle Service for Lauderhill residents through September 30, 2027.

Need Summary Explanation/ Background:

The Commission recently agreed to an agreement with Limousines of South Florida for an increased hourly rate to provide Community Shuttle Service. This Sixth Amendment to the Agreement with Broward County establishes the new rate will be covered by the County.

Cost Summary/ Fiscal Impact:

Include projected cost, approved budget amount and account number, source of funds, and any future funding requirements

The County has agreed under Article 6.1 to fully reimburse the City for all costs related to operations and maintenance of the Community Shuttle Service at the established rate. Since the funding is provided directly by the County and can only be used for shuttle operations, the City will not incur any expenses. Any rate increase will be absorbed entirely by the County's reimbursement, ensuring that the City has no financial obligation for these services.
