Why are you interested in serving on a board? If you have not attached a resume, please describe any qualifications, skills, and abilities you possess that would directly benefit this board.

I am interested in serving on a City of Lauderhill Board because I thoroughly enjoy giving back to my community and want to make an impact. I think it's important to give back in whatever capacity possible, whether it be my time, talents, or tithes. I not only have the interest, but I also have knowledge and time. I run a flexible Notary and Bookkeeping company in the City of Lauderhill and am in the process of being a Lauderhill Shines Cohort 6 graduate. Having served on the Education Advisory Board for 8 years with the City of Sunrise allowed me a great understanding of how city organizations operate and how to collectively work with other citizens. I serve as an Audit Committee member and Advisory Board Member with a local Credit Union in Broward County. I currently serve as the President of the HOA of the community in which I reside, where I'm constantly learning about relevant city and state laws, and also leading and resolving neighborly issues. I serve as the Treasurer of a not-for-profit that provides necessary funding and services for young adults aging out of the foster care system into the real civilian life. With many years of financial experience, am eager to learn, love giving back, and am ready to continue to make a difference in the city that I do business with would make me a great addition to the Advisory Board in Lauderhill!
