

DEPARTMENT OF ENGINEERING AND ENVIRONMENTAL SERVICES

MEMORANDUM

TO: Kennie Hobbs, City Manager

FROM: J. Martin Cala, P.E., DEES Director

DATE: 6/30/2025

SUBJECT: Asphalt Resurfacing and Swale Reconfiguration

Please be advised that I will be submitting an agenda request for the acceptance of the bid results for the Capital Improvement Project for the Neighborhood Asphalt Resurfacing and Swale Reconfiguration for the 8/24 Commission Meeting.

The Work is located within the City of Lauderhill Right-of-Way (R/W). The intent of the project is to improve the asphalt surface in accordance to the "Citywide Pavement Condition Survey" report and minimize localized flood conditions on roadways throughout the northwest neighborhood in accordance to the "Citywide Stormwater Management and Flood Protection Master plan". The work includes, but is not limited to the following: roadway asphalt resurfacing and marking, and the removal and disposal of existing grass, landscape material and top soil, reconfiguration/regrading swales, construction of exfiltration trenches, install catch basis where applicable and the restoration of disturbed areas including sidewalk repairs, irrigation repairs, and sod replacement as necessary.

We will be recommending the selection of "**J&D Concrete Works Corp**" pursuant to bid #2025-041 based upon the tabulation of bid results providing for payment in an amount not to exceed **\$751,592.78** from budget code number 450-925-06913 in the amount not to exceed \$600,000.00 and from budget code 450-925-06914 in the amount not to exceed \$151,592.78
