**Request Action:** (State the action requested of the Commission and why the action is necessary. What is the expected outcome of the action?)

Resolution required by Florida Statutes, Section 197.3632 in order to certify the assessment roll and re-impose the uniform method for collecting non-ad valorem special assessments as reflected on the Annual Tax Bill for the cost of providing garbage, refuse and recycling services to the designated areas.

**Need:** (Why is there a need for this action?)

The City of Lauderhill is re-imposing the costs necessary for providing garbage, refuse and recycling services on an annual basis to be collected by the Broward County Revenue Tax Collector as reflected on the owner's Annual Tax Bill for Fiscal Year 2020.

**Summary Explanation/ Background:** (Provide a summary/background of this agenda request)

The City of Lauderhill previously passed and adopted the original Intent Resolution to begin to impose garbage, refuse and recycling fee assessments to the annexed areas of West Ken Lark, St. George, Swap Shop and Broward Estates as a non-ad valorem special assessment on the Annual Tax Bill that is sent by the Broward County Property Appraiser's Office and which is collected by the Revenue Tax Collector. These non-ad valorem assessments were previously imposed. This Resolution proposes to re-impose the uniform method of collection of the non-ad valorem special assessments for garbage, refuse and recycling. This year an increase in the rate structure is proposed. A public hearing on this matter was held on September 12, 2019 at or about 6:05 p.m. prior to the adoption of this Resolution

for the purpose of receiving public comments and objections on the re-imposition of the uniform method of collection and the collection of non-ad valorem special assessments for garbage, refuse and recycling and the proposed decreased rate. The corresponding Ordinance was heard on first reading on September 12, 2019 and the second reading and adoption of the Ordinance is scheduled for September 26, 2019 at or about 7:00 p.m. All owners were provided notice of the estimated assessment rate and of the fact that they had a right to file written objections, to appear and to be heard at the public hearings. Notice was sent to each individual property owner via the TRIM Notice send by the Broward County Appraiser's Office. Notice was also published in the Newspaper. The Preliminary Rate Resolution No. 19R-07-143 was passed and adopted on July 9, 2019 with the proposed rate of \$299.00. The final rate was approved via this Resolution.
