

Lauderhill Police Department

To: Constance Stanley, Chief of Police

From: Allen Siegel, Deputy Chief of Police

Date: March 2, 2021

Subject: Purchase of Laptop Computers

This memorandum is authored to serve as a request to utilize Federal Law Enforcement Forfeiture Fund (LEFF) monies to purchase new laptop computers for our patrol vehicles. Laptop computers were not budgeted for in the FY 2021 budget. The account number in which these funds can be found is 110-683

On March 2, 2021, in a conference with MIS Director Doug Downs, it was learned that Broward County will no longer support computers that have a Windows 7 operating system. This is as a result of new requirements in the Criminal Justice Information Sharing System that will not support computers with a Windows 7 operating system. As a result, this will effectively shut down an officer's ability to operate in the field utilizing our current computers. What make this more emergent, is that in an email from Broward County they advised this mandate will be enforced effective March 31, 2021.

An MIS review of our inventory demonstrated that forty (40) laptop computers must be replaced prior to the end of March 2021. As such, I am requesting the use of \$51,000 in Federal Forfeiture Funds to be used for the purchase these needed computers.

Your consideration in this matter is greatly appreciated.

Douglas Downs

Subject: Windows 7 EOL - Netmotion Devices Removal - Deadline March 31

CAUTION: This email originated from outside of the City of Lauderhill. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Good afternoon Doug/Jerzy,

I hope you are well and Happy New Year! As you know, Windows 7 is no longer supported which poses a security risk to any network the client interfaces with (the Broward County Public Safety Network and the City of Lauderhill Network). Therefore, we need this longstanding issue immediately addressed which I'm sure you understand.

The deadline to remove all Windows 7 devices from Netmotion Mobility is March 31. I will be following up with each agency on a weekly basis to meet this goal. Please let me know if the ORCAT Client Services team can be of assistance during this deployment.

Thank you
