(hereinafter "PROPERTY").

WHEREAS, the City Commission of the City of Lauderhill passed Ordinance No. 000-5-28 amending The Code of Ordinances Section 21-46 to allow a property owner, pursuant to express written agreement only, to install individual water meters for Individual Consumer Units, in order to separately bill each Individual User based upon his/her actual consumption; and

WHEREAS, OWNER is the lawful owner of the PROPERTY described above; and

WHEREAS, OWNER desires to install individual water meters for each Individual Consumer Unit (hereinafter "SUBMETERS") on the PROPERTY;

WHEREAS, REMETERING shall mean the resale of water service by use of a SUBMETER by an OWNER at a rate or charge which does not exceed the OWNER'S actual purchase price from the CITY; and

NOW, THEREFORE, in consideration of the terms and conditions, provisions, covenants and promises hereinafter set forth, the Parties agree that:

- #1.** The foregoing Whereas clauses are true and correct and are hereby incorporated herein by reference thereto.
- #2.** The CITY consents to the use of REMETERING on the subject PROPERTY, subject to the limitations set forth in this Agreement, in Chapter 21 of the Code of Ordinances of the City of Lauderdale, in any Federal, State, and Local Law or Administrative Rule, the South Florida Building Code, all as may be amended from time to time, the American Water Works Association ("AWWA"), and any applicable developer's agreement for the PROPERTY.
- #3.** OWNER is solely responsible for all costs associated with the REMETERING of the water meters on the PROPERTY, including, but not limited to, the cost of the installation of all water SUBMETERS and associated plumbing and shall obtain all required permits prior to the installation of same.
- #4.** The use of SUBMETERS shall be limited to the purpose of allocating the direct cost of water and sewer service to Individual Users, and should be billed at a rate consistent with the rate billed by the City, as provided in Section 21-47 of the City Code, as may be amended from time to time. At no time shall the OWNER be permitted to charge an Individual User more than the actual direct cost of the water and sewer consumption by that Individual Consumer Unit.
- #5.** OWNER will read the SUBMETERS on a periodic schedule and use the readings to determine the water use among the Individual Consumer Units, and others who shall be lawfully entitled to receive same.
- #6.** OWNER shall test and inspect all SUBMETERS within the time intervals recommended by the American Water Works Association ("AWWA") for the applicable size and type of SUBMETER, by a facility that is accredited and in compliance with AWWA Standards. However, in addition to the direct costs of the water and sewer services provided to the Individual User, the OWNER shall be entitled to charge a nominal fee to the Individual User to compensate for actual costs to the OWNER for preparation of billing and paperwork as can be justified by the OWNER. The CITY reserves the right, but not the obligation, to audit the prorated bills distributed to the Individual Users to verify that the aggregate amount charged to the Individual Users is not greater than the direct amount charged to the OWNER by the CITY. OWNER agrees to supply billing information to the CITY as requested.
- #8.** OWNER shall pay CITY an annual fee of Five Dollars (\$5.00) per unit on the PROPERTY for monitoring and auditing said REMETERING system as necessary. Said

- #12.** This AGREEMENT can be revoked at any time by the CITY for failure of the OWNER to comply with any provision of this Agreement, at which time OWNER shall immediately cease and desist all REMETERING activities. In addition, should OWNER fail to comply with any provision of this Agreement, the OWNER shall be fined at a rate of Two Thousand Five Hundred Dollars (\$2,500.00) per day per violation. Said notice shall be deemed effective five (5) days after mailing. The CITY shall not be liable for any costs associated with the removal of said REMETERING devices and shall not be responsible for the reconnection or reinstallation of any such devices.
