Request Action: (State the action requested of the Commission and why the action is necessary. What is the expected outcome of the action?)

Resolution required by Florida Statutes, Section 197.3632 in order to certify the assessment roll and re-impose the uniform method for collecting non-ad valorem special assessments on Annual Broward County Tax Bill for the costs and expenses associated with the operation of the Manors of Inverrary Safe Neighborhood Improvement District Area prior to September 15, 2019.

Need: (Why is there a need for this action?)

The City of Lauderhill is re-imposing non-ad valorem special assessments in the amounts voted upon at the public hearing per parcel per year based upon the designated categories broken down by building for the properties located within the Manors of Inverrary Designated Safe Neighborhood Improvement District Area. The Assessment Roll must be certified prior to September 15, 2019.

Summary Explanation/ Background: (Provide a summary/background of this agenda request)

The City Commission of the City of Lauderhill previously passed its Intent Resolution to impose the uniform method of collecting non-ad valorem special assessments for the costs and expenses associated with the operation of the Manors of Inverrary Safe Neighborhood Improvement District Area that owner's would be billed a one-time lump sum figure on the owner's annual tax bill that is sent by the Broward County Tax Collector. This non-ad valorem special assessment is authorized pursuant to Florida Statutes, Section 197.3632. A public hearing enabling members of the public to have their comments and objections heard was heard on September 12, 2019 prior to the consideration of the adoption of this Resolution and the first reading of the corresponding Ordinance. All owners were provided notice of the estimated assessment at the rate. The final rate to be assessed is \$150.00 Dollars of non-ad valorem special assessment and zero (0.0) mills to be levied to all members of the Master Association Category; plus an additional assessment of \$250.00 Dollars of non-ad valorem special assessments and zero (0.0) mills to just the Condo I category parcels. Notice was sent to each individual property owner within the Designated District Area via the TRIM Notice sent by the Broward County Appraiser's Office. Notice was also published in the Newspaper providing the original estimated assessment rate that was approved via the Preliminary Rate Resolution No. 19R-07-139 adopted on July 9, 2019 and the fact that they had a right to file written objections and to appear and to be heard at the public hearings. The Manors of Inverrary Advisory Council met and voted to modify the estimated preliminary non-ad valorem assessment rates to be imposed such that each individual building would be assessed an amount to be determined based upon the specific benefits and improvements that each individual building would be receiving based upon the specific improvements voted upon. The Advisory Board requested these assessments to these categories as indicated, which will be presented to the City Commission at the public hearing held on September 12, 2019 prior to adoption of this Resolution.
