Request Action:

Pass a Resolution to approve the Emergency Purchase to repair two pumps that broke down at Pump Station A (Sports Park) by the sole source provider, MWI Pumps, on an emergency basis.

Need/Summary Explanation/ Background:

Pump #1 has been down at Pump Station A (Sports Park) for a while, now Pump # 2 shut down this week causing the situation to be an emergency due to inadequate availability for the NW basin with just Pump #3 running. An emergency bypass was put into place but has limited capacity. This required an emergency repair as Pump #3 alone is not sufficient to continue to support the necessary water supply. In order to avoid disruption to residents, it was essential to conduct an emergency repair. MWI Pumps is a sole source provider.

Cost Summary/ Fiscal Impact:

Not to exceed \$75,936.00

Budget Code Number:
