The Hill Immersive Dome – Phase 1

Secure & Shaded Experience

A vibrant LED or fabric wall surrounds the dome, creating a secure perimeter for the space. Overhead, a fabric canopy provides shade and comfort for guests during the day.

Concept Rendering

Culinary Courtyard

An open-air food kiosk area offers a variety of delicious options for guests to enjoy before or after events at the Performing Arts Center. This is a flavorful and social environment where guests can gather and relax.

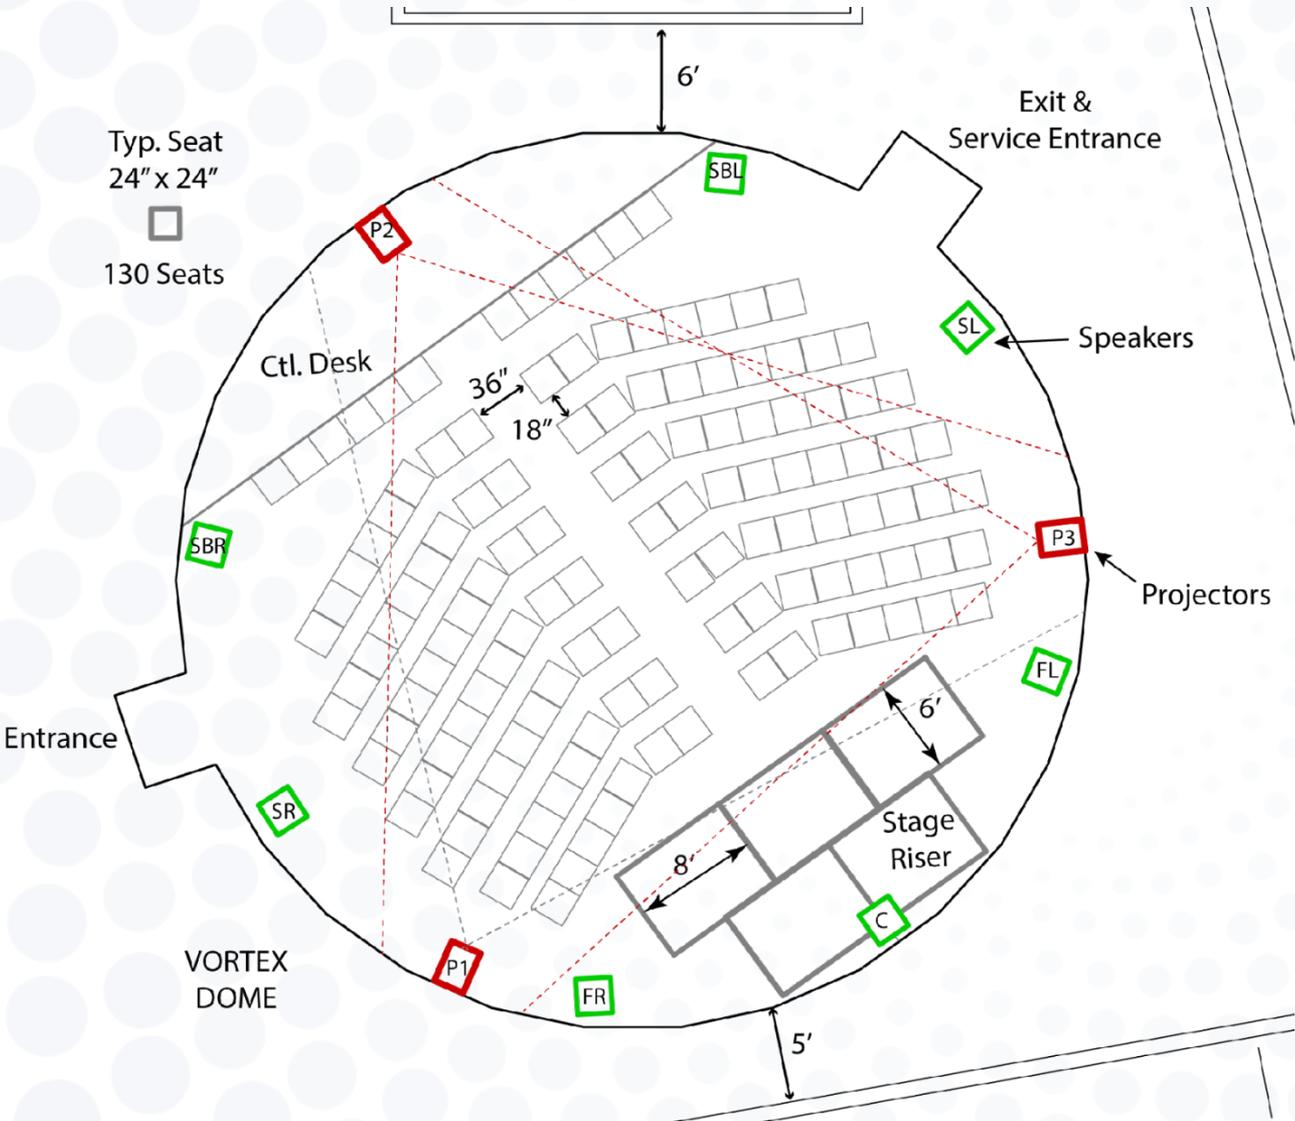

Sculptural Art and Illuminated Landmarks

Throughout the park, guests will encounter artistic installations designed to spark awe and imagination. These sculptures serve both as artistic expression and interactive elements—blending light, motion, and design. Inspired by iconic events like Burning Man and public art parks, these unique elements will transform Lauderdale into a beacon of cultural creativity.

- LED-lit sculptures and immersive installations
- Tree sculptures and nature-inspired art
- Projection-mapped art pieces
- Rotating exhibits and seasonal displays
- A fusion of technology and creativity for all generations

Sample Interior AV

- Typical 50' Diameter Dome
- 3-8 Video Projectors
 - 5.1 or 7.1 Surround Audio
