Re: Installation of Security Fence

Dear Broward Estates Resident,

As you are aware, the City of Lauderhill has presented a plan to residents on NW 33<sup>rd</sup> Terrace to install a security fence with heavy landscaping in the alley from NW 33<sup>rd</sup> Avenue to NW 34<sup>th</sup> Avenue.

In order to involve all residents in the planning of the project, the City hand delivered letters and a rendering of the plan to all households on NW 33<sup>rd</sup> Terrace. In addition, City staff held a community meeting with residents on April 1, 2019. Twenty residents from NW 33<sup>rd</sup> Terrace attended the community meeting. The residents that attended the meeting voted unanimously for the city to proceed with the design and installation of the fence and landscaping. In addition, twelve (12) residents signed letters stating they approved the plan. As a result of the unanimous approval from the residents of NW 33<sup>rd</sup> Terrace, the city will proceed with final plans to complete the fence and landscaping project.

Sincerely,

Dear Broward Estates Resident,

As you may be aware, City staff has been meeting with representatives from the Executive Board of your Homeowners Association. The goal of our discussions is to find a temporary fix to the continuous traffic of cars and people coming and going from the Cooperative Feeding Center along 33<sup>rd</sup> Terrance. As such, we are proposing to install an iron security fence with heavy landscaping and road markings on the south end of 33<sup>rd</sup> Terrance (please see attached rendering). If approved, the security fence will eliminate through traffic along 33<sup>rd</sup> Terrance and the neighborhood as a whole.

So that we can discuss the proposed plan in detail and to seek your input, we are requesting your attendance at a meeting schedule on April 1, 2019 at 7 pm at Parkway Middle. This item will require the vote of all residents that live on 33<sup>rd</sup> Terrance and must receive a simple majority of the residents for us to move forward. We look forward to seeing you at the meeting.

Sincerely,

Dear Broward Estates Resident,

As you may be aware, City staff has been meeting with representatives from the Executive Board of your Homeowners Association. The goal of our discussions is to find a temporary fix to the continuous traffic of cars and people coming and going from the Cooperative Feeding Center along 33<sup>rd</sup> Terrance. As such, we are proposing to install an iron security fence with heavy landscaping and road markings on the south end of 33<sup>rd</sup> Terrance (please see attached rendering). If approved, the security fence will eliminate through traffic along 33<sup>rd</sup> Terrance and the neighborhood as a whole.

So that we can discuss the proposed plan in detail and to seek your input, we are requesting your attendance at a meeting schedule on April 1, 2019 at 7 pm at Parkway Middle. This item will require the vote of all residents that live on 33<sup>rd</sup> Terrance and must receive a simple majority of the residents for us to move forward. We look forward to seeing you at the meeting.

Sincerely,

Kennie Hobbs, Jr.  
Assistant City Manager/Finance Director
