MEMORANDUM

DATE: May 4, 2021

TO: Mayor, Vice-Mayor, and Board of County Commissioners

FROM: Bertha Henry, County Administrator

SUBJECT: Administrative Policy Requiring Facial Coverings and Social Distancing on County Property

On May 3, 2021, Governor Ron DeSantis issued an executive order that purports to invalidate all remaining local emergency orders based on the COVID-19 emergency including Broward County's COVID-related emergency order on facial coverings and social distancing guidelines.

Notwithstanding, to maintain the health and welfare of all Broward County employees and the public we serve, I have instituted an administrative policy requiring facial coverings and social distancing while indoors on County property until further notice.

County property includes, but is not limited to the following:

- All County government buildings
- County courthouses
- Buses and indoor bus depots
- Libraries
- Airport and airport facilities (subject to the requirements and regulations of the Federal Aviation Administration and the Transportation Security Administration)
- Port Everglades seaport facilities
- Other indoor spaces on County-owned properties

The health and safety of County employees remains a top priority, and we will continue to do our best to maintain a healthy work environment.

Department, Office, and Division Directors
Drew Meyers, County Attorney
