**Re: City of Lauderhill General Employees Pension Fund (Plan)
Actuarial Impact of Proposed Ordinance**

Dear Yolanda:

As requested, we have reviewed the attached proposed ordinance which would extend trustee terms from two years to four years.

In our opinion, the proposed ordinance will not have an actuarial impact on the current cost of the Plan. Therefore, it is our opinion that a formal Actuarial Impact Statement is not required. However, we recommend that you send a copy of this letter and the ordinance to the Division of Retirement.

Dina Lerner is a member of the American Academy of Actuaries and meets the Qualification Standards of the American Academy of Actuaries to render the actuarial opinions contained herein. The undersigned actuary is independent of the plan sponsor.

Respectfully submitted,
Gabriel, Roeder, Smith & Company
