This form must be completed and signed by the Bidder. Failure to complete this form may result in the bid being declared non-responsive.

Bidder acknowledges that the **Florida Trench Safety Act**, Section **553.60 et. seq., Florida Statutes**, effective October 1, 1990, will be in effect during the construction period of this project. By signing and submitting this form, the Bidder certifies that trench excavations will be performed in full compliance with applicable trench safety standards.

Method of Compliance:

(Describe the specific trench safety standards and methods you will follow, such as OSHA 29 CFR Part 1926 Subpart P, trench boxes, shoring, sloping, etc.)

trench box.

Itemized Cost of Trench Safety Compliance:

(This is a specific, separate cost for complying with trench safety requirements. It must also be included in the applicable line items and Grand Total Bid Price.)

Total Amount: \$ 1,400.00

By signing below, Bidder acknowledges that this trench safety cost is included in the Proposal pricing and Grand Total Bid Price. The Bidder further understands and agrees that:

- **The Owner and Engineer are not responsible** for assessing the adequacy of the Bidder's trench safety measures or costs.
- **The Bidder alone is responsible** for identifying all trench safety standards that apply to this project and for ensuring compliance with the Trench Safety Act (Florida Statutes § 553.60–553.64).

- **Means and methods of compliance** and all related safety precautions are at the sole discretion and liability of the Bidder.

DEBARMENT CERTIFICATION

49 CFR Part 29 – Appendix B

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION,
INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER
COVERED TRANSACTIONS**

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant certifies as set out below.
2. This certification is a material representation of fact relied upon by the Federal Government when this transaction was entered into. If the participant knowingly submits an erroneous certification, the Federal Government or originating agency may pursue remedies including suspension or debarment.
3. The participant must immediately notify the submitting person if the certification becomes erroneous due to changed circumstances.
4. Terms such as covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, principal, and voluntarily excluded are defined in rules implementing Executive Order 12549. Contact the submitting person for a copy of these regulations.
5. By submitting this proposal, the participant agrees it will not knowingly enter into any lower tier transaction with a person who is debarred, suspended, ineligible, or voluntarily excluded unless authorized by the originating department or agency.
6. This certification clause must be included without modification in all solicitations and lower tier covered transactions.
7. Participants may rely on certifications of prospective participants unless they know the certification is erroneous. Participants decide how often to verify eligibility and may check the Federal Excluded Parties List System.
8. This clause does not require establishing new record-keeping systems beyond normal business knowledge.
9. Unauthorized transactions with debarred or suspended persons may result in suspension, debarment, or other remedies.

CERTIFICATION

The prospective lower tier participant certifies, by submission of this proposal, that:

1. Neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
2. If unable to certify to any of these statements, the prospective participant must attach an explanation to this proposal.
