

SPECIAL EXCEPTION USE AFFIDAVIT OF COMPLIANCE WITH CONDITIONS OF APPROVAL

KIDDIE CARE, INC (19-SE-015)

I, _____, being sworn, do hereby certify and affirm that the following statements are true:

I have read in its entirety the Kiddie Care, Inc. (19-SE-015) Development Review Report, any Supplemental Development Review Reports, and all attachments and exhibits associated with the special exception use application filed with the City of Lauderhill, Florida Planning and Zoning Division and understand its contents.

I have read and understand the below described conditions of approval and voluntarily agree to comply with all said conditions:

1. This special exception use development order for a child care use with before and after care services is specifically granted to Kiddie Care, Inc and such development order cannot be assigned, leased, subleased, transferred or otherwise conveyed to another person. Further, this special exception use development order shall automatically expire and become null and void if any person other than Kiddie Care, Inc, operates the uses. Any change of corporate ownership affecting 51% percent or more of the interest of the business or any of its assets in any manner shall trigger this provision. This special exception use development order shall automatically expire and become null and void if the use shall cease to operate. Moreover, this special exception use development order shall automatically expire and become null and void if Kiddie Care, Inc. is sold, assigned, transferred or otherwise conveyed to another person.
2. Within 60 days of the effective date of this development order, the applicant shall obtain site plan modification approval to, among other things, provide for a clearly delineated five feet wide pedestrian path from the sidewalk in the NW 19th Street public right-of-way to the front entrance of the building and from the building to the dumpster enclosure. Provide for an appropriate treatment for the children's "drop-off and pick-up" area. Also provide the required dumpster enclosure needed to dispose of food waste.
3. The City shall issue Kiddie Care, Inc. a Temporary Certificate of Use ("COU") at this time. The Development Review Committee ("DRC") will determine the time-certain deadline within which the applicant must complete all construction of improvements related to ADA and appropriate treatment for children's "drop-off and pick-up" area. If said construction of

improvements is not completed by the designated due date, the Temporary COU shall expire. Construction of additional improvements, not related to ADA or “drop-off and pick-up” area, required through the site plan modification process such as dumpster, landscape, and lighting improvements shall be constructed within 180 days of receipt of the site plan modification approval.

4. The child care use is restricted to a total of 4,505 square feet. Consistent with Land Development Regulations Article IV., Part 4.0., Section 4.3., the expansion, alteration, enlargement or removal to another location of this use is prohibited and shall be unlawful unless the City Commission amends this development order to allow such expansion, alteration, enlargement or removal to another location. Notwithstanding the above, through the site plan modification process, the City Commission delegates to the DRC the authority to allow the floor plan to be altered; however, the DRC is without authority to allow the expansion, enlargement, reduction or removal of the use to another location.
5. The general days and hours of operation are Monday through Friday from 6:30 a.m. to 6:30 p.m. Any increase in either the days or hours of operation or both is prohibited and shall be unlawful unless the City Commission amends this development order to allow such increase.
6. The maximum child capacity of the child care use is limited to the maximum child capacity set on the Broward County DCF childcare license and allowable by State Fire Code. It shall be unlawful to serve more than the specified maximum capacity unless the City Commission, sitting as the Board of Adjustment, amends the special exception use development order to allow such revisions.
7. Any violation of these conditions of approval may result in a public hearing before the City Commission and may result in the modification, suspension or revocation of this special exception use development order or its conditions or both.
8. Kiddie Care, Inc. shall provide to the Finance Department evidence a state childcare license has been granted for child care consistent with this development order before a Certificate of Use (COU) of a Local Business Tax Receipt (LBTR) is issued for the use. Kiddie Care shall annually file with its City LBTR application a copy of their valid state child care licenses.
9. If the City’s Code Enforcement Board assesses a lien for landscaping,

trash or other unsightly or unsafe conditions, this special exception use development order may be brought before the City Commission to be reconsidered, at which time the development order or the conditions of approval may be subject to modification, suspension or revocation.

10. If the City's Police Department or Code Department records more than three instances regarding noise, loitering, parking or criminal activity, either from observation by police officers or verified from complaints by three or more unrelated individuals, within any ninety (90) day period, the special exception use may be brought before the City Commission to be reconsidered, at which time the development order or the conditions of approval may be subject to modification, suspension or revocation.

I understand that I am swearing or affirming under oath the truthfulness of the claims made in this affidavit and that the punishment for knowingly making a false statement may include the modification, suspension or revocation of any resolution adopting the special exception use application and any certificate of use associated with the special exception use approval.
