Why are you interested in serving on a board? If you have not attached a resume, please describe any qualifications, skills, and abilities you possess that would directly benefit this board.

I am writing to express my strong interest in serving on the Lauderhill Educational Advisory Board. The Board's mission to promote programs and community involvement to enhance all schools within Lauderhill resonates deeply with my dedication to serving others, a principle inspired by Shirley Chisholm's quote, "Service is the rent we pay for the privilege of living on this earth." As an independent Business Analyst and Community Connector Fellow/Apprentice, I bring a unique blend of analytical skills and community engagement experience to this role. My Bachelor of Science in Communications for Business from Florida State University and Master of Science in Business Leadership from Nova Southeastern University have equipped me with the tools to analyze complex situations, identify resources, and facilitate effective solutions. My background in claims across various industries has honed my ability to assess needs and work towards equitable outcomes. My current involvement in the Education Subcouncil of the Lauderhill Health & Prosperity Partnership has provided invaluable insights into the challenges and opportunities facing our schools. The Principals' Roundtable discussions have been particularly enlightening, emphasizing the importance of direct engagement with school leadership to understand their specific needs and how the City and community can best support them. Furthermore, my participation as a Community Connector Fellow/Apprentice with the Lauderhill Civic Design Team, leading the Promise Neighborhoods initiative, demonstrates my commitment to a holistic approach to education. This collaborative effort, partnering with the City of Lauderhill, Children's Services Council, Florida Atlantic University, and others, aims to connect resources and assets to ensure all children have access to excellent schools and strong support systems, preparing them for success from birth to vocation. My leadership roles within the Delta Education and Life Development Foundation, Incorporated and its partner organization, the Broward County Alumnae Chapter of Delta Sigma Theta Sorority, Incorporated, further underscore my dedication to education. As Chair of the Read America initiative, I champion literacy through various programs, book distributions, and our annual Children's Reading Festival. My previous experience as Chair of the Teen Lift program, where I led college campus tours for hundreds of high school students each year, highlights my commitment to expanding educational opportunities. Additionally, my involvement in establishing the first two Little Free Libraries within a Lauderhill park demonstrates my proactive approach to fostering a love of reading within our community. I was also recently recognized by the Commission for my mentoring efforts within the city. These experiences, combined with my passion for education and our community, make me confident that I can be a valuable asset to the Lauderhill Educational Advisory Board. I am eager to contribute my skills and experience to further the Board's mission and positively impact the educational landscape of Lauderhill.
