**Request Action:** (State the action requested of the Commission and why the action is necessary. What is the expected outcome of the action?)

Ordinance required by Florida Statutes, Section 197.3632 in order to adopt, approve, and certify the assessment roll and re-impose the uniform method for collecting non-ad valorem special assessments on Annual Broward County Tax Bill for the costs and expenses associated with the operation of the Habitat Safe Neighborhood Improvement District Area.

**Need:** (Why is there a need for this action?)

The City of Lauderhill is imposing a non-ad valorem special assessment in the amount of \$250.00 and 2 Mills per parcel per year to the properties located within the Designated Safe Neighborhood Improvement District Area. The Assessment Roll must be certified prior to September 15, 2019.

**Summary Explanation/ Background:** (Provide a summary/background of this agenda request)

The City Commission of the City of Lauderhill previously passed its Intent Resolution to re-impose the uniform method of collecting non-ad valorem special assessments for the costs and expenses associated with the operation of the Safe Neighborhood Improvement District providing that owner's within the designated District Area would be billed a one-time lump sum figure on the owner's annual tax bill that is sent by the Broward County Tax Collector. This non-ad valorem special assessment is authorized

pursuant to Florida Statutes, Section 197.3632. This Ordinance approving, certifying and re-imposing the non-ad valorem special assessment was considered at a public hearing enabling members of the public to have their comments and objections heard which was held on September 12, 2019 prior to the consideration of the adoption of the first reading of this Ordinance. All owners were provided notice of the original estimated assessment at the rate of \$250.00 and 2 Mills per parcel annually. Notice was sent to each individual property owner within the Designated District Area via the TRIM Notice sent by the Broward County Appraiser's Office. Notice was also published in the Newspaper providing the estimated assessment rate and the fact that they had a right to file written objections and to appear and to be heard at the public hearings. The preliminary rate assessment Resolution No. 19R-07-138 was approved on July 9, 2019.
