In accordance with Section 170.01(4), Florida Statutes, no Fire Rescue Assessment shall be imposed against any Building of Non-Residential Property located on a Tax Parcel that is classified by the Property Appraiser as agricultural lands pursuant to Section 193.461, Florida Statutes, unless that Building exceeds a just value of \$10,000 as determined by the Property Appraiser and is not an "agricultural pole barn" as defined in Section 170.01(4), Florida Statutes.

In the event a court of competent jurisdiction determines any exemption or reduction by the City Commission is improper or otherwise adversely affects the validity of the Fire Rescue Assessment imposed for this Fiscal Year, the sole and exclusive remedy shall be the imposition of a Fire Rescue Assessment upon each affected Tax Parcel in the amount of the Fire Rescue Assessment that would have been otherwise imposed save for such reduction or exemption afforded to such Tax Parcel by the City Commission.

(E) The approval of the Estimated Fire Rescue Assessment Rate Schedule by the adoption of this Preliminary Rate Resolution determines the amount of the Fire Rescue Assessed Costs. The remainder of such Fiscal Year budget for fire rescue services, facilities, and programs shall be funded from available City revenue other than Fire Rescue Assessment proceeds. No portion of such Fire Rescue Assessed Cost is attributable to impact fee revenue that funds capital improvements necessitated by new growth or development. Further, no portion of such Fire Rescue Assessed Costs are attributable to the Emergency Medical Services Cost.

(F) The estimated Fire Rescue Assessments established in this Preliminary Rate Resolution shall be the estimated assessment rates applied by the City Manager in the preparation of the updated Fire Rescue Assessment Roll for the Fiscal Year commencing October 1, 2019, as provided in Section 10 of this Preliminary Rate Resolution.

(A) The City Manager is hereby directed to prepare, or cause to be prepared, an updated Assessment Roll for the Fiscal Year beginning October 1, 2019, in the manner provided in the Ordinance. The Assessment Roll shall include all Tax Parcels within the Property Use Categories unless otherwise exempted as provided herein. The City Manager shall apportion the estimated Fire Rescue Assessed Cost to be recovered through Fire Rescue Assessments in the manner set forth in this Preliminary Rate Resolution.

(B) A copy of the Ordinance, the Amended and Restated Initial Assessment Resolution, the Amended and Restated Final Assessment Resolution, this Preliminary Rate Resolution, documentation related to the estimated amount of the Fire Rescue Assessed Cost to be recovered through the imposition of Fire Rescue Assessments, and the updated Assessment Roll shall be maintained on file in the office of the City Manager and open to public inspection. The foregoing shall not be construed to require that the preliminary Assessment Roll be in printed form if the amount of the Fire Rescue Assessment for each parcel of property can be determined by the use of a computer terminal available to the public.

(C) It is hereby ascertained, determined, and declared that the method of determining the Fire Rescue Assessments for fire rescue services as set forth in this Preliminary Rate Resolution is a fair and reasonable method of apportioning the Fire Rescue Assessed Cost among parcels of Assessed Property located within the City.

SECTION 11. AUTHORIZATION OF PUBLIC HEARING. There is hereby established a public hearing to be held at 6:15 p.m., or as soon thereafter as the matter can be heard, on September 12, 2019, in City Commission Chambers of City Hall, 5581

Pass a Resolution to approve the Fire Rescue Preliminary Rate Resolution providing the estimated non-ad valorem special assessments that will be charged on the Annual Broward County Tax Bill for Fire Rescue Fees and the proposed same rate structure and same methodology, and re-imposing the uniform method for collecting this assessment. The City of Lauderhill is re-imposing the costs necessary to provide fire rescue services within the City. This year the rate structure remains the same as last Fiscal Year. The preliminary rate must be submitted to the Broward County Property Appraiser's Office no later than August 2, 2019.

Summary Explanation/ Background: (Provide a summary/background of this agenda request)

The City of Lauderhill passed and adopted the original Intent Ordinance No. 000-6-39 to begin imposing Fire Rescue Assessments throughout the City in 2000 as a non-ad valorem assessment collected on the Annual Tax Bill. Each subsequent year the City has re-imposed the uniform method of collection of the non-ad valorem special assessments for Fire Rescue Fees. This year the same rate structure and methodology is proposed as necessary to provide the reasonable and necessary services. The proposed estimated assessment for residential use category remains the same at \$488.00. The proposed estimated assessment for other categories are as listed in the attached Schedule "A". A public hearing on this matter will also be held on September 12, 2019 at or about 6:15 p.m. prior to the adoption of the Resolution for the purpose of receiving public comment on the re-imposition of the uniform method of collection of non-ad valorem special assessments for fire rescue fees and the proposed rate structure. The corresponding Ordinance will also be heard on first reading on September 12, 2019 and the second reading and adoption of the Ordinance is scheduled for September 26, 2019 @ 7:00 p.m. All owners will be provided notice of the estimated proposed assessment and of the fact that they have a right to file written objections, to appear and to be heard at the public hearings. Notice will be sent to each individual property owner via the TRIM Notice sent by the Broward County Appraiser's Office and Notice was already published in the newspaper. The estimated preliminary rate for the assessment must be approved and forwarded to the Broward County Property Appraiser by August 2, 2019.
