Summary Explanation/ Background: (Provide a summary/background of this agenda request)

The City Commission of the City of Lauderhill previously passed its Intent Resolution to impose the uniform method of collecting non-ad valorem special assessments for the costs and expenses associated with the operation of the Habitat Safe Neighborhood Improvement District Area that owner's would be billed a one-time lump sum figure on the owner's annual tax bill that is sent by the Broward County Tax

prior to the consideration of the adoption of this Resolution and the first reading of the corresponding Ordinance. All owners were provided notice of the estimated assessment rate of \$250.00 and 2 Mills per parcel annually, which was the preliminary rate adopted on July 9, 2019 via Resolution No. 19R-07-138. Notice was sent to each individual property owner within the Designated District Area via the TRIM Notice sent by the Broward County Appraiser's Office. Notice was also published in the Newspaper providing the estimated assessment rate and the fact that they had a right to file written objections and to appear and to be heard at the public hearings.
