Empire Office, Inc. Standard Terms & Conditions of Sale

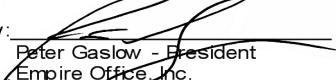

1. These Terms & Conditions are superseded by any contradictory terms and conditions included in a contract between Empire Office, Inc. ("Empire") and client in effect at the time of quote approval.
2. If no contract between Empire and client is in effect at the time of quote approval, the parties shall be bound by these Terms and Conditions, irrespective of whether or not client accepts these Terms and Conditions by written acknowledgement, by implication, or acceptance and payment of goods and services ordered hereunder. Except for credit and payment terms that are subject to change based on Empire's Credit Department review, these Terms and Conditions will continue to apply to all subsequent orders, unless otherwise agreed in writing.
3. Payment and Terms: Unless different credit terms were agreed in writing between client and Empire, a deposit of 50% of the purchase price is required upon order placement, 40% is payable on delivery (or any part thereof), and 10% is payable upon completion of installation (or any part thereof). It is expressly understood that the final invoice is due and payable regardless of the presence or extent of punch list items. Empire's invoices are due when received by client. A 3% credit card processing fee will be added to each invoice (including on taxes) if client prefers to use this method of payment. If a product management, in/out or any other fee applies to this quote, these fees shall be disclosed to client prior to order placement. A service charge at the highest interest rate permitted by local law will be assessed on past due invoices, accruing on a daily basis from the invoice's original due date. In addition to the service charge, client shall pay legal fees incurred by Empire in connection with collection of past due invoices. Client agrees that in the event of any default in payment, Empire, at its option, may repossess all of the product at client's expense. If such payment default is not cured within 30 days from its original due date.
4. Returns, Changes and Cancellations: Upon Empire's order placement with its vendors, orders cannot be changed or cancelled without Empire's written consent. Product is not returnable. The costs of approved changes and/or cancellations are the responsibility of client, including any lost vendor deposits, design and administrative work performed by Empire to implement the changes as well as any charges incurred by Empire from its vendors relating to such changes or cancellations. In addition to the charges mentioned herein, in case of cancellation or reduction in scope, Empire shall charge client 20% of the quoted purchase price for Empire's overhead. Any scope changes at the request of client (or anyone acting on client's behalf) or due to site conditions, will be chargeable based on Empire's standard labor rates applicable to the relevant market regardless of whether such change was requested or approved in writing by client. Such charges shall be invoiced together with Empire's final invoice upon completion of installation (or any part thereof).
5. Design: Client acknowledges that in the event the order includes design services, client is allowed one design change at no cost to client, unless otherwise agreed in writing. Any subsequent changes not due to any act or omission of Empire will result in additional charges to client at Empire's rates for design services in the relevant market.
6. Delivery and Installation: Unless otherwise agreed in writing between client and Empire: (a) Empire will deliver and install during normal business hours 8:00 AM and 4:00 PM, Monday through Friday, (b) client will be responsible for overtime premium for work performed outside normal business hours, and (c) client will be responsible for required prevailing wage or union labor and related benefits even if not specifically detailed in writing on Empire's quote. It is the responsibility of client, or someone acting on client's behalf, to be present at time of delivery and installation, to acknowledge receipts and verify the condition of the product delivered. Client's failure to sign for receipt may result in either a redelivery via an additional trip by Empire, an additional cost to client, or deemed acceptance of the delivery as to volume, condition, and specification. If client makes any changes to the delivery schedule within three business days of the scheduled delivery day, client shall be responsible for all direct costs associated with the cancelled delivery in addition to all costs associated with the rescheduled delivery. Any such charges shall be added to and invoiced together with the delivery invoice. If Empire is unable for any reason outside of Empire's control to deliver the product in accordance with client's original scheduled delivery date, client will be invoiced for the full amount of product upon the earlier to occur of: (a) Empire's attempt to deliver the product; or (b) the date originally scheduled for delivery. Title to the product passes to client only when the purchase price and all other charges hereunder have been paid in full, provided, however, risk of loss shall transfer to client upon delivery of product. Any product protection provided by Empire after transfer of risk of loss shall be at a price to be agreed upon between the parties.
7. Condition of Job Site: The job site must be clean and free of all other trades and construction debris prior to delivery and installation, with sufficient electrical current, HVAC, elevator service and a secure final plan proposed location. Client is responsible for obtaining all permits and scheduling all elevators, elevator operators, security, hoisting, loading docks (available for Empire's exclusive use during Empire's delivery), power and any other building services needed. Failure to provide a job site in the proper condition may result in installation delays and/or additional charges, at Empire's sole discretion.
8. Partial deliveries can be made at client's request or if conditions on site require them and will be subject to an additional charge.
9. Storage: Product quoted to be delivered to a storage facility can be held without cost for up to 30 days. Any product that: (i) was quoted to be delivered to site and was redirected to a storage facility, (ii) is owned by client and brought and held in a storage facility, or (iii) was quoted to be delivered to a storage facility and held beyond 30 days due to reasons outside of Empire's control, will incur a storage fee calculated based on Empire's then current rate per square foot in the relevant market multiplied by the relevant square footage.
10. Warranties, Maintenance & Repair: It is client's responsibility to have someone acting on client's behalf perform a walk-through with Empire of the job site within five (5) business days following the completion of installation. If Empire's performance is not in accordance with the specifications of the work or the executed quote, it will be noted on the punch list to be provided by Empire to client following the walk-through. If client declines or is not available to do the walk-through within the five (5) business days period, it shall be deemed to have fully accepted the work. Damaged product will be modified to conform to the specifications of the order, or will be replaced, at Empire's sole discretion. Empire hereby fully disclaims any product warranty, expressed or implied. All claims for breach of product warranty, expressed or implied shall be made solely upon the vendor and the vendor shall be responsible for any re-delivery and installation costs related to such defective product. Empire will provide the necessary service, at no charge to client, to correct defects caused solely by Empire's delivery or installation services. Non-warranty repairs and maintenance will be performed at Empire's standard rates. THE FOREGOING IS IN LIEU OF ANY OTHER WARRANTY, EXPRESS, IMPLIED OR STATUTORY, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. ALL OF WHICH OTHER WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED BY EMPIRE. CLIENT ASSUMES ALL RISK OF LOSS RELATED TO ANY CLAIMS THAT THE PRODUCT AS INSTALLED BY EMPIRE DOES NOT COMPLY WITH ANY APPLICABLE LAWS, INCLUDING, WITHOUT LIMITATION, ANY AND ALL APPLICABLE CURRENT OR FUTURE LAWS REGARDING HEALTH AND SAFETY IN THE WORKPLACE.
11. Use of Materials and Name: Empire may list the project and client in its published lists of its clients and projects, including on its website. Empire may also use copies of images and videos of the project and related content for its portfolio purposes in connection with its marketing materials provided to prospective clients and other interested parties.
12. Confidentiality: Any information disclosed relating to the product or the quotes that are subject of these Terms and Conditions shall be confidential.
13. Force Majeure: Empire shall not be liable for any damages resulting from: any delay or failure of performance arising from any cause not reasonably within Empire's control, including, without limitation, accidents to, breakdowns or mechanical failure of machinery or equipment, however caused; strikes or other labor troubles, shortage of labor, transportation, raw materials, energy sources, or failure of usual means of supply; fire; flood; war, declared or undeclared; epidemics, pandemics, insurrection; riots; acts of God or the public enemy; or priorities, allocations or limitations or other acts required or requested by Federal, State or local governments or any of their sub-divisions, bureaus or agencies related to the foregoing or otherwise. Upon the occurrence of any of the foregoing, Empire may, at its option and without penalty, (i) cancel the order, or (ii) delay performance hereunder for any period reasonably necessary due to any of the foregoing, during which time these Terms and Conditions shall remain in full force and effect, and may increase the purchase price hereunder by the amount of increased costs incurred by Empire due to any of the foregoing events, including, without limitation, any increased materials, supplies, services, labor or overhead.
14. LIMITATION OF LIABILITY: EMPIRE SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, HOWSOEVER CAUSED, INCLUDING BUT NOT LIMITED TO, ANY LOST PROFITS, LOSS OF DEPOSITS OR ADVANCES PROVIDED BY CLIENT TO EMPIRE IF SUCH DEPOSITS WERE EXTENDED BY EMPIRE TO ITS VENDORS WHO FAIL TO PERFORM PROPERLY AND COMPLETELY, LOST SAVINGS, PUNITIVE, EXEMPLARY, AGGRAVATED OR ECONOMIC DAMAGES, ARISING OUT OF THE PRODUCT OR SERVICES PROVIDED BY EMPIRE OR OTHERWISE RELATED TO THESE TERMS AND CONDITIONS, EVEN IF EMPIRE OR ANY OF ITS LAWFUL AGENTS, CONTRACTORS, EMPLOYEES OR AFFILIATES HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR CLAIMS. IN NO CASE WILL EMPIRE'S TOTAL LIABILITY ARISING UNDER ANY CAUSE WHATSOEVER (INCLUDING WITHOUT LIMITATION BREACH OF CONTRACT, BREACH OF WARRANTY, NEGLIGENCE, GROSS NEGLIGENCE OR OTHERWISE) BE GREATER THAN THE AMOUNT ACTUALLY PAID TO EMPIRE BY CLIENT FOR THE SPECIFIC PRODUCTS AND SERVICES PURCHASED BY CLIENT AND TO WHICH THE CLAIM RELATES.
15. Indemnification: Client agrees to release, indemnify, defend and hold Empire, its officers, agents, and employees harmless from any losses or claims of whatsoever kind or nature, including, without limitation, any deposits paid by Empire to any supplier, in each case, to the extent arising out of or incidental to Empire's performance of work hereunder, except to the extent caused by the gross negligence or willful misconduct of Empire.

Empire Office, Inc. Standard Terms & Conditions of Sale

1. These Terms & Conditions are superseded by any contradictory terms and conditions included in a contract between Empire Office, Inc. ("Empire") and client in effect at the time of quote approval.
2. If no contract between Empire and client is in effect at the time of quote approval, the parties shall be bound by these Terms and Conditions, irrespective of whether or not client accepts these Terms and Conditions by written acknowledgement, by implication, or acceptance and payment of goods and services ordered hereunder. Except for credit and payment terms that are subject to change based on Empire's Credit Department review, these Terms and Conditions will continue to apply to all subsequent orders, unless otherwise agreed in writing.
3. Payment and Terms: Unless different credit terms were agreed in writing between client and Empire, a deposit of 50% of the purchase price is required upon order placement, 40% is payable on delivery (or any part thereof), and 10% is payable upon completion of installation (or any part thereof). It is expressly understood that the final invoice is due and payable regardless of the presence or extent of punch list items. Empire's invoices are due when received by client. A 3% credit card processing fee will be added to each invoice (including on taxes) if client prefers to use this method of payment. If a product management, in/out or any other fee applies to this quote, these fees shall be disclosed to client prior to order placement. A service charge at the highest interest rate permitted by local law will be assessed on past due invoices, accruing on a daily basis from the invoice's original due date. In addition to the service charge, client shall pay legal fees incurred by Empire in connection with collection of past due invoices. Client agrees that in the event of any default in payment, Empire, at its option, may repossess all of the product at client's expense, if such payment default is not cured within 30 days from its original due date.
4. Returns, Changes and Cancellations: Upon Empire's order placement with its vendors, orders cannot be changed or cancelled without Empire's written consent. Product is not returnable. The costs of approved changes and/or cancellations are the responsibility of client, including any lost vendor deposits, design and administrative work performed by Empire to implement the changes as well as any charges incurred by Empire from its vendors relating to such changes or cancellations. In addition to the charges mentioned herein, in case of cancellation or reduction in scope, Empire shall charge client 20% of the quoted purchase price for Empire's overhead. Any scope changes at the request of client (or anyone acting on client's behalf) or due to site conditions, will be chargeable based on Empire's standard labor rates applicable to the relevant market regardless of whether such change was requested or approved in writing by client. Such charges shall be invoiced together with Empire's final invoice upon completion of installation (or any part thereof).
5. Design: Client acknowledges that in the event the order includes design services, client is allowed one design change at no cost to client, unless otherwise agreed in writing. Any subsequent changes not due to any act or omission of Empire will result in additional charges to client at Empire's rates for design services in the relevant market.
6. Delivery and Installation: Unless otherwise agreed in writing between client and Empire: (a) Empire will deliver and install during normal business hours 8:00 AM and 4:00 PM, Monday through Friday. (b) client will be responsible for overtime premium for work performed outside normal business hours, and (c) client will be responsible for required prevailing wage or union labor and related benefits even if not specifically detailed in writing on Empire's quote. It is the responsibility of client, or someone acting on client's behalf, to be present at time of delivery and installation, to acknowledge receipts and verify the condition of the product delivered. Client's failure to sign for receipt may result in either a redelivery via an additional trip by Empire, at an additional cost to client, or deemed acceptance of the delivery, as to volume, condition, and specification. If client makes any changes to the delivery schedule within three business days of the scheduled delivery day, client shall be responsible for all direct costs associated with the cancelled delivery in addition to all costs associated with the rescheduled delivery. Any such charges shall be added to and invoiced together with the delivery invoice. If Empire is unable for any reason outside of Empire's control to deliver the product in accordance with client's original scheduled delivery date, client will be invoiced for the full amount of product upon the earlier to occur of: (a) Empire's attempt to deliver the product; or (b) the date originally scheduled for delivery. Title to the product passes to client only when the purchase price and all other charges hereunder have been paid in full, provided, however, risk of loss shall transfer to client upon delivery of product. Any product protection provided by Empire after transfer of risk of loss shall be at a price to be agreed upon between the parties.
7. Condition of Job Site: The job site must be clean and free of all other trades and construction debris prior to delivery and installation, with sufficient electrical current, HVAC, elevator service and a secure final plan proposed location. Client is responsible for obtaining all permits and scheduling all elevators, elevator operators, security, hoisting, loading docks (available for Empire's exclusive use during Empire's delivery), power and any other building services needed. Failure to provide a job site in the proper condition may result in installation delays and/or additional charges, at Empire's sole discretion.
8. Partial deliveries can be made at client's request or if conditions on site require them and will be subject to an additional charge.
9. Storage: Product quoted to be delivered to a storage facility can be held without cost for up to 30 days. Any product that: (i) was quoted to be delivered to site and was redirected to a storage facility, (ii) is owned by client and brought and held in a storage facility, or (iii) was quoted to be delivered to a storage facility and held beyond 30 days due to reasons outside of Empire's control, will incur a storage fee calculated based on Empire's then current rate per square foot in the relevant market multiplied by the relevant square footage.
10. Warranties, Maintenance & Repair: It is client's responsibility to have someone acting on client's behalf perform a walk-through with Empire of the job site within five (5) business days following the completion of installation. If Empire's performance is not in accordance with the specifications of the work or the executed quote, it will be noted on the punch list to be provided by Empire to client following the walk-through. If client declines or is not available to do the walk-through within the five (5) business days period, it shall be deemed to have fully accepted the work. Damaged product will be modified to conform to the specifications of the order, or will be replaced, at Empire's sole discretion. Empire hereby fully disclaims any product warranty, expressed or implied. All claims for breach of product warranty, expressed or implied shall be made solely upon the vendor and the vendor shall be responsible for any re-delivery and installation costs related to such defective product. Empire will provide the necessary service, at no charge to client, to correct defects caused solely by Empire's delivery or installation services. Non-warranty repairs and maintenance will be performed at Empire's standard rates. THE FOREGOING IS IN LIEU OF ANY OTHER WARRANTY, EXPRESS, IMPLIED OR STATUTORY, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. ALL OF WHICH OTHER WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED BY EMPIRE. CLIENT ASSUMES ALL RISK OF LOSS RELATED TO ANY CLAIMS THAT THE PRODUCT AS INSTALLED BY EMPIRE DOES NOT COMPLY WITH ANY APPLICABLE LAWS, INCLUDING, WITHOUT LIMITATION, ANY AND ALL APPLICABLE CURRENT OR FUTURE LAWS REGARDING HEALTH AND SAFETY IN THE WORKPLACE.
11. Use of Materials and Name: Empire may list the project and client in its published lists of its clients and projects, including on its website. Empire may also use copies of images and videos of the project and related content for its portfolio purposes in connection with its marketing materials provided to prospective clients and other interested parties.
12. Confidentiality: Any information disclosed relating to the product or the quotes that are subject of these Terms and Conditions shall be confidential.
13. Force Majeure: Empire shall not be liable for any damages resulting from: any delay or failure of performance arising from any cause not reasonably within Empire's control, including, without limitation, accidents to, breakdowns or mechanical failure of machinery or equipment, however caused; strikes or other labor troubles, shortage of labor, transportation, raw materials, energy sources, or failure of usual means of supply; fire; flood; war, declared or undeclared; epidemics, pandemics, insurrection; riots; acts of God or the public enemy; or priorities, allocations or limitations or other acts required or requested by Federal, State or local governments or any of their sub-divisions, bureaus or agencies related to the foregoing or otherwise. Upon the occurrence of any of the foregoing, Empire may, at its option and without penalty, (i) cancel the order; or (ii) delay performance hereunder for any period reasonably necessary due to any of the foregoing, during which time these Terms and Conditions shall remain in full force and effect, and may increase the purchase price hereunder by the amount of increased costs incurred by Empire due to any of the foregoing events, including, without limitation, any increased materials, supplies, services, labor or overhead.
14. LIMITATION OF LIABILITY: EMPIRE SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, HOWSOEVER CAUSED, INCLUDING BUT NOT LIMITED TO, ANY LOST PROFITS, LOSS OF DEPOSITS OR ADVANCES PROVIDED BY CLIENT TO EMPIRE IF SUCH DEPOSITS WERE EXTENDED BY EMPIRE TO ITS VENDORS WHO FAIL TO PERFORM PROPERLY AND COMPLETELY, LOST SAVINGS, PUNITIVE, EXEMPLARY, AGGRAVATED OR ECONOMIC DAMAGES ARISING OUT OF THE PRODUCT OR SERVICES PROVIDED BY EMPIRE OR OTHERWISE RELATED TO THESE TERMS AND CONDITIONS, EVEN IF EMPIRE OR ANY OF ITS LAWFUL AGENTS, CONTRACTORS, EMPLOYEES OR AFFILIATES HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR CLAIMS. IN NO CASE WILL EMPIRE'S TOTAL LIABILITY ARISING UNDER ANY CAUSE WHATSOEVER (INCLUDING WITHOUT LIMITATION BREACH OF CONTRACT, BREACH OF WARRANTY, NEGLIGENCE, GROSS NEGLIGENCE OR OTHERWISE) BE GREATER THAN THE AMOUNT ACTUALLY PAID TO EMPIRE BY CLIENT FOR THE SPECIFIC PRODUCTS AND SERVICES PURCHASED BY CLIENT AND TO WHICH THE CLAIM RELATES.
15. Indemnification: Client agrees to release, indemnify, defend and hold Empire, its officers, agents, and employees harmless from any losses or claims of whatsoever kind or nature, including, without limitation, any deposits paid by Empire to any supplier, in each case, to the extent arising out of or incidental to Empire's performance of work hereunder, except to the extent caused by the gross negligence or willful misconduct of Empire.
