Junior Achievement™ of South Florida

Honoring Our Past, Empowering Our Future!

Work Readiness | Financial Literacy | Entrepreneurship

EMPOWERING LAUDERHILL'S FUTURE LEADERS

Junior Achievement of South Florida is shaping the future workforce and our communities. In Lauderhill, JA programs are making a significant impact by empowering our youth through hands-on experiences that foster work readiness, financial literacy, and entrepreneurship.

From elementary school through high school, JA's age-appropriate curricula bridge the gap between classroom learning and real-world application. Our programs, delivered by dedicated volunteers from the business community, bring relevance, authenticity, and application into everyday learning experiences.

By equipping our students with critical 21st-century skills, we are not just preparing them for future careers – we are nurturing the next generation of innovators, entrepreneurs, and leaders who will shape our community's future.
