**RESOLUTION NO. 24R-08-164: A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF LAUDERHILL APPROVING THE FIRST AMENDMENT TO COMMUNITY DEVELOPMENT BLOCK GRANT MITIGATION PROGRAM**

**(CDBG-MIT) SUBRECIPIENT AGREEMENT NO. MT049 BETWEEN THE CITY OF LAUDERHILL AND THE FLORIDA DEPARTMENT OF COMMERCE (“COMMERCE”), FORMERLY KNOWN AS THE FLORIDA DEPARTMENT OF ECONOMIC OPPORTUNITY, FOR THE LAUDERHILL SEWER LINING PROJECT LOCATED AT AN EXTENDED AREA WITHIN THE CITY; TO PROVIDE ADMINISTRATIVE CHANGES AND UPDATES, INCLUDING UPDATES TO CERTAIN STATUTES, PROCESSES, AND AGENCY NAME; PROVIDING FOR TERMS AND CONDITIONS; PROVIDING FOR AN EFFECTIVE DATE (REQUESTED BY CITY MANAGER, DESORAE GILES-SMITH).**

**Request Action:**

A resolution is requested from the City Commission to approve the first amendment to Community Development Block Grant Mitigation Program (CDBG-MIT) Subrecipient Agreement No. MT049 between the City of Lauderhill and the Florida Department of Commerce (“COMMERCE”), allowing for statutes, processes and administrative updates to the agreement.

**Need Summary Explanation/ Background:**

Action is required to allow for statutes, processes and administrative updates to the agreement.

**Cost Summary/ Fiscal Impact:**

On April 19, 2022, and via Resolution No. 21R-12-284, the City of Lauderhill and then Florida Department of Economic Opportunity (DEO), now Florida Department of Commerce (“Commerce” or “FLACOM”), entered into Community Development Block Grant Mitigation Program (CDBG-MIT) Subrecipient Agreement No. MT049, which provides for the City to receive \$3,125,215.00 in grant funding to repair sewer lines with cured-in-place (CIP) methods for 4,200 linear feet. The State now desires for the agreement to be amended to incorporate a number of updates and administrative changes. The following are some of the changes and/or updates: Amendment to officially change the agency name from Florida Department of Economic Opportunity (DEO) to Florida Department of Commerce; changes to E-Verify language to reflect correct and current version; changes to grant agreement closeout requirements to reflect correct statute; and changes to Section 3 reports requirement language to reflect the correct and current version, among others. Additionally, Attachment ‘A’ was updated to allow for the City to submit to the Department multiple invoice reimbursement requests during the construction phase. Currently, the City would only be able to invoice the Department once during construction phase, and essentially only when construction was 100% complete.

Funds are budgeted in the appropriate budget codes. No general funds expenditures are required.
