Dear Mr. Keester-O'Mills:

Please consider this our formal narrative regarding the Site Development Plan submittal for our project located at 1340 NW 40<sup>th</sup> Avenue herein referred to as "the Property". This company represents AT&T, the owner of the subject property.

I. The Property

The Property consists of one (1) parcel of land with Folio No.: 4942-31-34-0020, at the intersection of NW 15<sup>th</sup> Street. The total area of the site is 2.20 acres; presently the property contains a vacant lot. The property was previously used by ATT, which owns the property to the South. The former use was training exercises for ATT along with a small drainage area.

The Property is located within the Light Industrial zone. The proposed use of outdoor storage is allowed by Special exception approval by the City of Lauderhill City Council.

III. Proposed Site Plan

The proposed use of the site is short/long term vehicular storage rental. The site will be properly secured with a fence as shown and a concrete wall along the western boundary due to the intended residential use to the west.
