56	KM 1000	Kussmall Auto Charge 1000 PLC (091-215-12) DESCRIPTION: REQ Single Battery system 1. 18A total: 15A battery charger, 3A battery saver 2. Microprocessor controlled, completely automatic operation regulates output to a single battery bank 3. Precision voltage controller senses battery voltage, eliminating need for sense wires 4. Parasitic Load Compensation allows for user input of total accessory load amps on the vehicle. This allows the charger to shift the absorption stage set point so the battery voltage drops to the float voltage when desired current is reached 5. Battery Type Selection Switches: Lead-Acid, Gel Cell, AGM or Odyssey 6. Float / 3-Step Charge Mode Selection Switches 7. Compatible with Super Auto Eject with Deluxe Cover 63-11-2106 (Bar Graph Display) 8. 3 year warranty	$ 1,610.00	40%	DIO

57	KM 2000	AUTO CHARGE 2000 PLC PRODUCT CODE: 091-237-12 DESCRIPTION 18A total: 15A battery charger, 3A battery saver Microprocessor controlled, completely automatic operation regulates the output to a dual battery bank Precision voltage controller senses battery voltage, eliminating the need for sense wires Parasitic Load Compensation allows for user input of total accessory load amps on the vehicle. This allows the charger to shift the absorption stage set point so the battery voltage drops to the float voltage when desired current is reached Battery Type Selection Switches: Lead-Acid, Gel Cell, AGM or Odyssey Float / 3-Step Charge Mode Selection Switches 3 year warranty Remote Bar Graph Included 091-39-IND Also will work with Auto Eject with Deluxe Cover, 63-11-7106 (20 Amps) 61-11-7106 (15 Amps)	$ 1,749.00	40%	DIO
58	KM AE20wp	AUTO EJECT 20 WP PRODUCT CODE: 091-20WP-120 DESCRIPTION 120 Volts AC, 20 Amps Automatically disconnects shoreline Designed specifically for emergency vehicles Eliminates broken shoreline 2 year warranty Default color for cover is yellow The Auto Eject WP is a power input connector designed to be mounted in the side of a vehicle to permit connecting 120 Volt AC shoreline. It comes with a weatherproof cover. The cover is spring loaded to close, preventing water from entering when the shoreline is not connected. A solenoid wired to the vehicle's starter, is energized when the engine is cranked. This instantaneously drives the plug from the receptacle. This simple, reliable device, eliminates forever the broken cables which result when drivers forget to remove the shoreline before driving away.	$ 1,063.00	40%	DIO

59	63-11-2106	SUPER AUTO EJECT WITH DELUXE COVER-BAR GRAPH PRODUCT CODE: 63-11-2106 DESCRIPTION with Deluxe Cover-Bar Graph Display- 10 Red LED Bar Graph 120 Volts AC, 20 Amps Automatically disconnects shoreline Completely sealed Designed specifically for emergency vehicles Eliminates broken shoreline 2 year warranty Bar Graph Display monitors select Kussmaul Chargers, (please see "Charger Compatibility Chart" section) Default color for the deluxe digital cover is yellow. Call customer service for different configurations and product numbers The Super Auto Eject is a completely sealed automatic power line disconnect. This prevents contamination of the mechanism by road dirt, and ensures long reliable life even when mounted in the most severe environment. A novel internal switch arrangement closes and opens the 120 Volt A.C. circuit after the mating connector is inserted, and before the connector is removed. This eliminates arcing at the connector contacts, and assures long contact life. As with all Auto Ejects, the Super Auto Eject is connected to the starter circuit, so that ejection occurs when the engine is cranked.	$ 1,575.00	40%	DIO
60	61-11-8106	AUTO EJECT WITH DELUXE COVER- BAR GRAPH, DUAL OUTPUT PRODUCT CODE: 61-11-8106 DESCRIPTION with Deluxe Cover-Bar Graph Display- 10 Red LED Bar Graph/Dual Output 120 Volts AC, 15 Amps Automatically disconnects shoreline Completely sealed Designed specifically for emergency vehicles Eliminates broken shoreline 2 year warranty Compatible with Kussmaul AC2000 charger Default color for the deluxe digital cover is yellow. Call customer service for different configurations and product numbers The Super Auto Eject is a completely sealed automatic power line disconnect. This prevents contamination of the mechanism by road dirt, and ensures long reliable life even when mounted in the most severe environment. A novel internal switch arrangement closes and opens the 120 Volt A.C. circuit after the mating connector is inserted, and before the connector is removed. This eliminates arcing at the connector contacts, and assures long contact life. As with all Auto Ejects, the Super Auto Eject is connected to the starter circuit, so that ejection occurs when the engine is cranked.	$ 1,610.00	40%	DIO

190	Final Delivery	Description	CONTRACT	%	MSRP
191	OZN	Option for State agency sourcing off FSA award. This fee is updated in Florida statute for myfloridamarketplace purchases when utilizing contracts outside of the Department of Management Services. This fee is collected, reported, and paid to the State; calculated at approximately 1% of the total purchase order amount. Option price listed is based on a 0.7% calculation on an average Sale amount of $45000. Final determination TBD relative to specific quote.	$ 315.00	0%	Quoted
192	TTO	Tag and Title processing and handling fee. Tags are processed at the local tag office and affixed to vehicle prior to delivery. Cost includes electronic administrative fee, manual processing courier, and Fedex related expense.	$ 68.00	0%	NA
193	TMP	30 Day Florida Temporary Tag. Requires (TTO) Tag/Title Option	$ 7.00	0%	NA
194	TX	Stock Sourcing: This amount represents costs associated with reassignment, dealer transfer and re-invoicing a serialized vehicle from retail inventory, eliminating the requirement for order. Due to dealer allocation, and commodity retraints, not all vehicles qualify. When vehicles are sourced from secondary locations, additional freight for logistics may be added at $3 per mile.	$ 1,295.00	0%	NA
195	TAG	New Tag Charge (Florida only) Requires (TTO) Tag/Title option. Specify City, State, or Sheriffs Tag. Includes (TMP). Transfer Tag Charge: (Florida only: $90) Please send scan of agency registration with tag ID clearly indicated. Requires (TTO) Tag/Title Option, includes (TMP)	$ 125.00	0%	NA

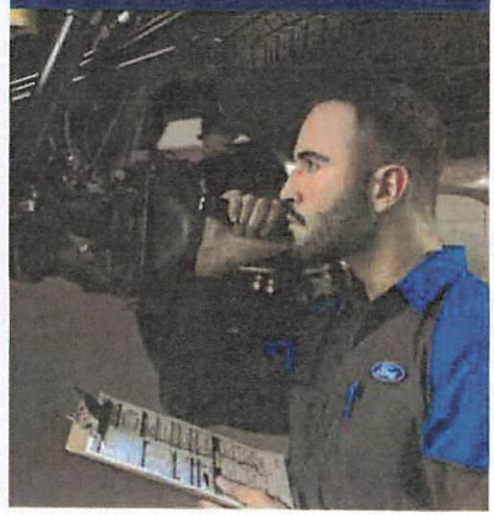
FORD PROTECT®

Premium Maintenance Plan

EXTENDED SERVICE PLAN



Drive On with Confidence.

It's more than just a routine oil change. Keep your vehicle running at its optimum performance with a Ford Protect Premium Maintenance extended service plan.

This comprehensive plan provides premium protection for your vehicle with routine inspections, preventive care and replacement of select wear items that require periodic attention to ensure it's running at top performance.

Premium Maintenance covers these important maintenance items:

- Engine oil and filter changes
- Multi-point inspections
- Tire rotations
- Brake pads and linings
- Shock absorbers/struts
- Spark plugs
- Clutch discs
- Engine belts, coolant hoses and clamps
- Wiper blades

Drive On with Peace of Mind.

Comprehensive maintenance coverage for Ford and competitive-make vehicles.

Keep your car or truck running great for years to come with a Ford Protect Premium Maintenance Plan. Covering scheduled maintenance required by the manufacturer, including select wear items, these prepaid plans help protect you against rising labor and parts costs.

Enjoy premium protection for miles and miles.

With this plan, you'll be able to protect your vehicle and budget with timely care and inspections that may:

- Prevent serious and expensive repairs
- Help you maintain optimal performance
- Possibly increase your vehicle's resale value

- All service intervals purchased must be completed before the coverage ends
- Coverage begins at the New Vehicle Limited Warranty start date and zero miles
- Coverage ends at the earlier of the number of years purchased or number of miles purchased

You can add to your plan and drive on with even greater peace of mind.

Ford Protect Pickup and Delivery Option.

This option provides convenient personalized service, which allows you more free time rather than spending your valuable time in a dealership. Service includes:

- Pickup & delivery
- For loaner benefits, First-Day Rental Option must be included
- Mobile service option

Coverage for scheduled maintenance.

The following services are representative of the required maintenance for your vehicle. Your specific plan will be based on requirements indicated in your Owner's Scheduled Maintenance Guide.

- Change engine oil and replace oil filter
- Inspect and rotate tires
- Inspect brake pads/shoes/rotors/drums, brake lines and parking brake system
- Inspect wheel ends for end play and noise
- Inspect and lubricate steering linkage, ball joints, suspension and, if equipped, halfshafts, driveshafts and u-joints
- Change transmission fluid
- Replace fuel filter
- Replace engine air filter
- Change engine coolant
- Replace PCV valve
- Change transfer case fluid*
- Inspect and lubricate 4x4 front axle shaft u-joints*
- Lubricate 4x4 front hub needle bearings*
- Lubricate 4x2 front wheel bearings, replace grease seals and adjust bearings*
- Fill diesel exhaust fluid*

Multi-point Inspection.

At each scheduled service appointment, your vehicle will also undergo a comprehensive multi-point inspection as indicated in your Owner's Scheduled Maintenance Guide.

- Check fluid levels and fill:
  - Transmission (if equipped with a dipstick)
  - Brake reservoir
  - Power steering
  - Coolant recovery reservoir
  - Window washer
  - Diesel exhaust fluid (if necessary)*
- Check systems and components:
  - Horn, interior lights, exterior lamps, turn signals, and hazard and brake lights
  - Windshield washer spray, wiper operation and wiper blades
  - Windshield for cracks, chips and pitting
  - Radiator, heater and air conditioning lines (leaks and damage)
  - Engine air filter
  - Oil and fluid leaks
  - Exhaust system (leaks, damage, loose parts)
  - Steering and steering linkages
  - Shocks/struts and other suspension components (leaks and damage)
  - Accessory drive belt(s)
  - Clutch operation*
  - Tires for wear and proper air pressure

** If equipped.*
