Request Action:

Pass a Resolution to approve the preliminary rate resolution providing the estimated non-ad valorem special assessments that will be charged on the Annual Broward County Tax Bill to the Isles of Inverrary Safe Neighborhood Improvement District and the proposed rate structure, and re-imposing the uniform method for collecting this assessment for FY 2027 in the amount of \$500.00 non-ad valorem assessment and 2 mills ad valorem tax levy.

Need Summary Explanation/ Background:

The City of Lauderhill needs to advise of the amount of the rate it is re-imposing for the costs and expenses associated with the Isles of Inverrary Safe Neighborhood Improvement District within the designated District area. The preliminary rate must be submitted to the Broward County Property Appraiser's Office no later than August 4, 2026. The City of Lauderhill passed and adopted the Original Intent Resolution No. 10R-12-245 to begin imposing Assessments throughout the designated District area within the City of Lauderhill as a non-ad valorem assessment collected on the Annual Tax Bill. The highest permitted assessment is \$500.00 non-ad valorem assessment plus 2 mills ad valorem taxation. The Isles of Inverrary Safe Neighborhood Improvement District Advisory Council voted to provide a proposed assessment rate for Fiscal Year 2027 of \$500.00 non-ad valorem assessment and two (2) mills ad valorem tax levy. A public hearing before the City Commission on this matter will be held on September 15, 2026 at or about 5:40 p.m. prior to the adoption of the Resolution for the purpose of

receiving public comment on the re-imposition of the uniform method of collection of non-ad valorem special assessments for the Isles of Inverrary Safe Neighborhood Improvement District and the proposed rate structure. The corresponding Ordinance will also be heard on first reading on September 15, 2026 and the second reading and adoption of the Ordinance is scheduled for September 28, 2026 @ 5:25 p.m. All effected owners will be provided notice of the estimated proposed assessment and of the fact that they have a right to file written objections, to appear and to be heard at the public hearings. Notice will be sent to each individual property owner via the TRIM Notice sent by the Broward County Appraiser's Office and Notice was already published in the newspaper. The estimated preliminary rate for the assessment must be approved and forwarded to the Broward County Property Appraiser by August 4, 2025. The proof of publication of this public hearing is on file with the city clerk's office.

Cost Summary/ Fiscal Impact:

\$500.00 non-ad valorem assessments = \$69,355.00

2 mills ad valorem tax levy = \$21,619.00

The total estimated revenue to be collected based upon the special assessment and tax levy combined is \$90,974.00. Additional revenues are expected to be collected based upon the tax levy.
