### **Request Action:**

To purchase two computers designed for use with our current forensic cellular police investigative technology. During FY2022, the city acquired several items utilized for forensic investigative measures, needed to follow-up investigations in today's digital environment. To assist with this, the city purchased Cellebrite hardware and software which is considered the industry standard. Since then, cellular technology has become more advanced and we find ourselves needing to upgrade the computers and storage required to maintain this evidence. Working with the City's MIS, we have identified the necessary computers needed to allow us to continue to analyze and store the necessary evidence. We are requesting to utilize funds not to exceed \$13,000 so that we can ensure continuity with the investigative resources we provide for our staff.

Secondly, to purchase twenty laptop computers which will replace older laptops utilized by officers, in the field. Replacement of these computers is required due to their service life approach the end. Officers today must have computer that are capable of utilizing multiple resources for example, plate readers, updated reporting system, body worn camera implementation, and Sound thinking (Shot Spotter). It is requested that funds not to exceed \$30,000 to be allotted for this purchase.

Next, the Police Department's Street Enforcement Team should consist of one Sergeant and four detectives. Now that we have reached the full capacity in the unit as of March 9, 2025, we are requesting specialized safety equipment for newly assigned detective. For this equipment we are requesting to utilize funds not to exceed \$5,500.

The last few years, the department's Crime Scene Unit has been expanded. With this expansion, there have been increased equipment needs as newer technicians complete their training. In order to enhance the efficiency of the unit, we are requesting to purchase equipment that will assist each of them to managing larger crime scenes. I am requesting that we utilize funds not to exceed \$13,000 to purchase the additional equipment. As a result, the police department is requesting to utilize funds from the State Law Enforcement Trust Fund using account #120-683-9935 not to exceed \$61,500.

### **Need:**

To cover the cost of two computers designed for use with current forensic cellular phone investigative technology, twenty laptop computers to be distributed to officers, specialized safety equipment for Street Enforcement Team, and equipment for managing larger crime scenes. The amount not to exceed \$61,500. Once this is approved, we are requesting that the Office of Management and Budget place the transfer of these funds on the same Commission Agenda as the requested items to eliminate any delays for the purchase of these items if approved by Commission.

### **Summary Explanation/ Background:**

Funds are needed to cover the cost of two computers designed for use with current forensic cellular phone investigative technology, twenty laptop computers to be distributed to officers, specialized safety equipment for Street Enforcement Team, and equipment for managing larger crime scenes. The amount not to exceed \$61,500 from the State Law Enforcement Trust Fund account 120-683-9935. Request the release of funds once approved by Commission, to be

transferred without delay by the Office of Management and Budget.

**Attachments:**

Memo requesting use of funds from the State Law Enforcement Trust Fund

Memo requesting release of funds by Office of Management and Budget

Quote of equipment with new pricing

Agenda Request Memo

**Cost Summary/ Fiscal Impact:**

The funds not to exceed \$61,500 for all equipment needed as requested can be found in account #120-683-9935. We are requesting the release of funds from the State Law Enforcement Trust Funds not to exceed \$61,500 from account #120-683-9935.

**Estimated Time for Presentation:**

**Master Plan:**

**Goal 1: Clean, Green Sustainable Environment**

- ☐ Increase mass transit ridership ☐ Reduce City energy consumption
- ☐ Reduce water consumption

**Goal 2: Safe and Secure City of Lauderdale**

- ☐ Crime in lower 50% in Broward ☐ Residents feel safe in neighborhood
- ☐ Reduce emergency fatalities

**Goal 3: Open Spaces and Active Lifestyle for all ages**

- ☐ Increase participation in youth sports ☐ Add new park land and amenities
- ☐ Increase attendance at cultural programs and classes

**Goal 4: Growing Local Economy, Employment and Quality of Commercial Areas**

- ☐ Increase commercial tax base ☐ Increase employment in Lauderdale businesses
- ☐ Decrease noxious and blighted uses in commercial areas

**Goal 5: Quality Housing at all Price Ranges and Attractive Communities**

- ☐ Neighborhood signs and active HOAs ☐ Housing & streets improved, litter reduced
- ☐ Increase proportion of single family homes and owner occupied housing

**Goal 6: Efficient and Effective City Government, Customer Focused & Values Diversity**

- ☐ Improves City efficiency ☐ Increase use of Information Technology
- ☐ Increases residents perception of Lauderdale as an excellent place to live
