*Financial information is based on estimated allocations and subject to change. The information provided in this document does not include all municipal surtax investments anticipated in FY 2026 due to the passage of the Third Amendment to the Transportation Surtax Interlocal Agreement. Total dollar amounts shown for FY2020-FY2026 municipal projects only reflect the amount awarded. This document also excludes certain countywide and regional projects, transit services, studies, capital assets (like vehicles), and other surtax investments that cannot be geographically quantified. It includes projects that overlap multiple municipalities and projects recently awarded through the FY 2026 Municipal Surtax Grant Match Program. Non-surtax funding sources that may be associated with projects listed are not captured in this document but may be requested via mapsocial@broward.org.
