TECHNICAL APPROACH

DDN's approach is straightforward: we continue the proven workflows already in place with the CRA while expanding capabilities where needed. Below is our approach to each element of the scope.

Photography & Videography

DDN assigns dedicated photographer(s) and videographer(s) to all scheduled CRA events, meetings, and ceremonies. Drone coverage is deployed for groundbreakings, development progress, and aerial content. High-resolution images are delivered within 48–72 hours. Edited video (broadcast, web, and social formats including reels and stories) is delivered per agreed timelines. Raw footage is archived and available to the CRA on request.

Social Media Advertising & Management

DDN manages the CRA's social media presence across Facebook/Meta, Instagram, LinkedIn, YouTube, and TikTok. We handle strategic planning, ad creative, audience targeting, campaign monitoring, and performance reporting. Content is planned through a shared content calendar updated weekly and reviewed during status meetings.

Media Buying

DDN executes media buys across television (broadcast, cable, streaming/OTT, CTV), radio (AM/FM and digital audio), digital (display, programmatic, SEM, geofencing), and out-of-home (billboards, transit, digital signage). All campaigns include post-campaign analysis with proof of performance.

Content Creation (Section 2.6)

DDN provides on-demand content including social media graphics, digital ads (static and animated), short-form and long-form video, infographics, email newsletter templates, blog posts, written content, and motion graphics.

Print Design (Section 2.7)

DDN designs street signs, flyers, posters, brochures, event programs, annual reports, signage, banners, direct mail, and promotional materials as needed. Print production costs are separate from design fees unless otherwise agreed.

Project Management (Section 2.8)

DDN participates in weekly or bi-weekly status meetings with CRA staff to review projects, discuss upcoming needs, and coordinate timelines. We maintain a comprehensive content calendar covering social media posts, ad campaigns, event coverage, production timelines, and key milestones, shared with CRA staff and updated weekly.
