

**DEPARTMENT OF ADMINISTRATION
ENGINEERING DIVISION**

MEMORANDUM

TO: Kennie Hobbs, Interim City Manager

FROM: J. Martin Cala, City Engineer

A handwritten signature in black ink, appearing to read 'J. Martin Cala'.

DATE: 2/20/25

SUBJECT: Crown Castle Consent

We have requested the Crown Castle Verizon Consent be added to the agenda for the meeting on March 17, 2025.

Commission approval is required to modify the existing equipment at the cell tower located at 2000 City Hall Drive. This project entails replacing antennas on the tower and replacing ground equipment. All work will be performed within the existing lease area/compound.

I have reviewed the plans and have no objections.
