Why are you interested in serving on a board? If you have not attached a resume, please describe any qualifications, skills, and abilities you possess that would directly benefit this board.

I have served on the Public Art Board since at least 2011, including holding the office of Vice Chair. I am passionate about all forms of art and understand the importance of public art to local communities. Among the benefits is the ability of public art to aesthetically improve a community, strengthen community ties as well as improve local economies. Professionally, I retired from the Jewish Federation of Broward County as the Vice President of Finance were I was employed for 21 years. My retirement allows me even more time to serve my community which is an obligation all citizens share.
