Is the property for this application subject to unpaid city liens, fines or fees?
If so, the Landowner must resolve all fees prior to placement on the City Commission agenda.

☐ Yes ☒ No

Special Exception – Application

Applicability

Article IV – Development Review Requirements

Section 4.6. – Standards for approval:

The City Commission, in reviewing any application for approval of a special exception use, shall consider the following:

- A. The effect of such use on surrounding properties.
- B. The suitability of the use in regard to its location, site characteristics, and intended purpose.
- C. Access, traffic generation and road capacities.
- D. Economic benefits or liabilities.
- E. Demands on utilities, community facilities, and public services.
- F. Compliance with the Comprehensive Land Use Plans for Broward County and/or the City of Lauderhill.
- G. Factors relating to safety, health, and general public welfare.

Information about the Business / Use (to be included in the Narrative)

- Business Description (list all activities conducted at your business)
- Date the business is expected to open.
- Days and Hours of Operation for the Business (include the estimated number of employees on duty per day)
- Estimated number of persons that the business will employ
- List the job titles and approximate salaries for the proposed employees
- Size of the building area that the business will occupy
- Describe how your business will affect the residents who live close by.
- Describe how this business/ use will affect neighboring businesses.
- Explain what site characteristics make this location suitable for your business/ use.
- Explain how this business/ use will affect the community economically.
- Describe any fire hazards associated with the business/ use.
- Describe what security measures the business/ use will require.
- Describe any chemicals, fluids, gases or potentially hazardous substances that the business/ use requires or stores on-site.
- Describe the water demand that the business/ use may require (above “normal” bathroom needs for employees and customers to use toilets and washing).
- Describe any activity the proposed business/ use will utilize city park facilities.
- Describe any activity the proposed business/ use will generate noise, light or vibrations.
- Describe transit, automobile or pedestrian traffic that the proposed business/ use will create in the area.
- Describe any activity of the proposed business/ use may engage in related to alcohol, music or live entertainment.
- Describe any other aspects of the business/ use that may be relevant to the City’s review not requested.

Being close to a convenience store eliminates the need to travel long distances for everyday items, saving time and transportation costs

In areas lacking other grocery options, convenience stores can provide access to essential food items, which is crucial for residents' well-being

U-Save Food Stores , while offering convenience, present a unique set of challenges that can impact the safety and health of both employees and the community, as well as the general public welfare.

We follow security measures like proper lighting, cameras, or secure cash handling procedures can exacerbate safety risks.

Beside U save food store have snapper restaurant that operating up to the midnight also Shell gas station operating 24 hours that located next to our properties . Southside of our store have Wendy's restaurant that is also operating up to the midnight.

In our store, we selling dairy and Delhi food such as sub and sandwich, milk, eggs and also baby formula food that really Neighbor needs any time. Right now I am operating my Store six in the morning to 11 PM. That really not enough to serve community because community need after 11 o'clock service, for that reason I want to extend my daily operation our 6 AM to 2 AM in the night, I have six employee working in the store, I have one manager one Inventory manager two cashiers and two floor workers.

My store area is 3420 square feet. at least 5000 people living surrounding the store . this is Store location is sweet about cause so many Neighbors doesn't have a car. They don't have to walk far away to get the food so they can come to my store and get the food within short distance

1. Job Creation: U-Save Food store directly employ people in the local community, providing income and supporting families.
2. Stimulating Local Businesses: By sourcing products from local suppliers and artisans, convenience stores support other local businesses and contribute to a stronger local economy.
3. Increased Property Values: A well-maintained U-Save Food store can make a neighborhood more desirable, potentially leading to increased property values and attracting further investment.
4. Attracting Other Businesses: The presence of a U-Save Food store can act as an anchor, drawing in other businesses and further developing the local commercial area.

5. Community Hub: U-Save Food store often serve as community hubs, offering a place for social interaction and contributing to a sense of community, which can indirectly benefit the local economy

Every two month we check our all electrical and mechanical equipment base make sure make sure everything is work properly. There is no electrical damage or any fire hazard associated with that.

Every year fire department coming to look at it in our store everything work properly or not

U-Save Food store installed high-resolution security cameras, strategically placed to cover entrances, exits, sales counters, aisles, back offices, and safes.

BSO and Police department has their own surveillance camera that covered whole area

Ensure cameras capture clear images, even in low light, to aid in identification and investigation if a crime occurs.
Utilize features like remote monitoring, cloud storage, and AI-powered surveillance for real-time insights and alerts about suspicious activity.
Integrate the surveillance system with point-of-sale (POS) data to link video footage to transactions, enabling verification and fraud detection.
Regularly check surveillance coverage and adjust camera positions as needed to address blind spots and account for seasonal changes (e.g., foliage).
Consider using security mirrors to eliminate blind spots and increase visibility within the store

Our store has a single bathroom that is used by both employees and the public. We ensure it is kept clean at all times.

My stores are open to sponsoring events held at City Park facilities—such as festivals, sports leagues, or community gatherings—through financial contributions in exchange for brand recognition and positive community association.

People not loitering in front of my store , always try to keep clean.

We provide convenient access for pedestrians, whether they arrive by car or with a shopping cart. Customers can easily reach our store and park in the designated parking area.

Sometimes very poor people come to the store they're looking for food we give away free food
