Why are you interested in serving on a board? If you have not attached a resume, please describe any qualifications, skills, and abilities you possess that would directly benefit this board.

Having lived in our community for 20 years, I have witnessed its evolution firsthand, including a noticeable decline over time. Over the past four years, I have taken a more active role in educating myself and others on condominium governance, particularly following the implementation of new legislation enacted after the collapse of the Champlain Towers. While I recognize the significant improvements achieved over the past year, I believe my continued involvement can help sustain this progress and further strengthen our community.

Dear Members of the Manors of Inverary,

I am submitting this application to express my interest in serving as a member of the SND Advisory Board for the Manors of Inverary. I currently serve as Vice President of the Manors Club and have been an active member of its Board for the past 14 months.

Having lived in our community for 20 years, I have witnessed its evolution firsthand, including a noticeable decline over time. Over the past four years, I have taken a more active role in educating myself and others on condominium governance, particularly following the implementation of new legislation enacted after the collapse of the Champlain Towers. While I recognize the significant improvements achieved over the past year, I believe my continued involvement can help sustain this progress and further strengthen our community.

Professionally, I am employed by Southern Glazer's Wine and Spirits, the largest liquor distributor in the United States. For the past 13 years, I have worked as a Replenishment Analyst, managing inventory and supply chain operations for high-profile suppliers such as Tito's, Campari, Sutter Home, Pernod Ricard, and The Wine Group, among more than 30 suppliers within my portfolio. My role requires collaboration with a nationwide team of over 30 replenishment analysts, as well as close coordination with supplier leadership teams. This experience has strengthened my ability to work collaboratively, remain detail-oriented, and implement practical, solution-focused strategies. Throughout my 35-year career, I have held various roles that have reinforced my professionalism, discretion, and ability to handle confidential information.

As a homeowner with a vested interest in the future of our community, combined with my professional background and commitment to continuous learning, I am well-equipped to contribute meaningfully to the SND Advisory Board and to support decisions that serve the best interests of the Master Association.

Thank you for considering my candidacy and for allowing me the opportunity to continue serving the Manors of Inverary community.

**Sincerely,
Vivian Penn
Vice President, The Manors Club**
