Mayor Grant presented this resolution, highlighting Kennie Hobbs' extensive service to the city since 1989. She praised his institutional knowledge, professionalism, execution of duties, and willingness to engage with community members. The Mayor noted that Mr. Hobbs had initiated quarterly city manager reports for transparency and conducted meetings with all homeowner associations to discuss budget priorities.

Commissioner Dunn raised concerns about the compensation package, stating that Mr. Hobbs would receive \$353,961.23 plus a 10% lump sum payment of approximately \$32,000. She noted that the employment agreement lacked performance benchmarks and suggested they should be tied to execution of the city's strategic plan. Commissioner Dunn also stated that the \$1.6 million missing from the HHS grant occurred while Mr. Hobbs was Finance Director and Deputy City Manager.

Mayor Grant responded that she found Commissioner Dunn's comments inappropriate for the occasion, suggesting that it was an attempt to link Mr. Hobbs to a grant affiliated with Commissioner Dunn's organization.

Commissioner Campbell defended the proposed salary structure, explaining that he had campaigned on reducing city salaries but inherited a situation where it was difficult to cut existing salaries. He noted that the agreement capped salaries and included provisions for merit-based raises rather than automatic increases. He also defended Mr. Hobbs regarding the grant issue, stating that the grants department had been removed from the finance department's oversight.

Commissioner Hodgson expressed support for Mr. Hobbs, praising his accessibility and willingness to work with commissioners on community concerns.

Several members of the public spoke in support of Mr. Hobbs, including local business owners, community leaders, and long-time friends who attested to his character, commitment, and professionalism.
