At a minimum, the following components of the Project must be maintained at all times, or any modifications thereto are subject to City approval: (a) total number of units; (b) change from final approved unit sizes; (c) reduction from final approved amenity square footage. 9.16 Waivers. All waivers, amendments or modifications of this Agreement must be in writing and signed by all parties hereto. Any failures or delays by any party in asserting any of its rights and remedies as to any default shall not constitute a waiver of such default or of any such rights or remedies. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties hereto are cumulative, and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise, at the same or different times, of any other rights or remedies for the same default or other default.

9.17 Severability. The invalidity, illegality or unenforceability of any one or more of the provisions of this Agreement shall not affect any other provision of this Agreement, but this Agreement will be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

9.20 Effective Date, Recordation, and Duration. Pursuant to Chapter 163.3239, Florida Statutes, this Agreement shall become effective (the “Effective Date”) upon recordation in the public records of Broward County, Florida. The Agreement shall be recorded by the City within fourteen (14) days after, the final party executes this Agreement. All provisions of this Agreement shall be enforceable as equitable servitudes and constitute covenants running with the land subject to all the terms and conditions of this Agreement, including without limitation specifically Section 9.12. Each covenant to do, or refrain from doing, some act with regard to the development of the Property: (a) is for the benefit of and is a burden upon the Property, and (b) it is binding upon each party and each successor in interest during ownership of the Property or any portion thereof during the Term of this Agreement. Any violation of this Agreement not timely cured shall be grounds for the termination of the Agreement and a termination of the obligation to pay any Incentives after such termination.

9.21 Attorney’s Fees. In the event of litigation involving this Agreement the prevailing party shall be entitled to an award of reasonable attorney’s fees and costs at the trial and appellate levels.
