

**SPECIAL EXCEPTION USE AFFIDAVIT OF  
COMPLIANCE WITH CONDITIONS OF APPROVAL**

Dental Blush Sunrise (24-SEU-015)

---

I, Filiberto Jose Herdocia being sworn, do hereby certify and affirm that the following statements are true:

I have read in its entirety the Dental Blush Sunrise (24-SE-015) Development Review Report, any Supplemental Development Review Reports, and all attachments and exhibits associated with the special exception use application filed with the City of Lauderhill, Florida Planning and Zoning Division and understand its contents.

I have read and understand the below described conditions of approval and voluntarily agree to comply with all said conditions:

1. This special exception use development order allows for no controlled substance prescriptions to anyone other than a dental patient in connection with a dental procedure performed or to be performed and no prescription refills.
2. This special exception use development order is granted to Dr. Filiberto Jose Herdocia, who must maintain an active dental license at all times. All employees and staff of Dental Blush must maintain all relevant licenses and certifications to provide care for the patients of the business. Any further disciplinary actions by the Department of Health may result in the revocation, modification or suspension of the COU and/or Special Exception.
3. Dental office, which includes a medical provider authorized to prescribe controlled substances is restricted to a total of 1,300± square feet as indicated on the lease agreement. Consistent with Land Development Regulations Article IV, Section 4.3.B., the expansion, alteration or enlargement or removal to another location outside the approved plaza of this use is prohibited and shall be unlawful unless the City Commission amends this development order to allow such expansion, alteration, enlargement or removal to another location. Notwithstanding the above, through the site plan modification process, the City Commission delegates to the Development Review Committee (DRC) the authority to allow the floor plan to be altered; however, the DRC is without authority to allow the expansion, enlargement, reduction or removal of the use to another location.
4. This Special Exception Use development order to allow a dental office,

order or its conditions or both.

9. Any special exception approval granted by the City Commission shall expire one hundred eighty (180) days after the date of approval, unless a Certificate of Use (COU) is submitted and subsequently approved within the one hundred eighty-day period.
10. If a use which has been granted a special exception shall cease to operate for a continuous period of one (1) year, the special exception approval shall expire. Pursuant to Article IV Section 5.3.11. of the Land Development Regulations, a discontinuance of operations for a period of one year would forfeit any legal nonconformities related to the proximity of residential zoning districts.
11. The owner shall execute a trespass agreement for the police department to keep on file for enforcement.
12. Property Owner or Operator must provide a security plan that demonstrates how they will prevent and reduce the amount of police calls associated with trespassing or the presence of other loitering. In addition to said security plan the property owner or operator shall also provide a property maintenance plan that demonstrates how they will maintain cleanliness in compliance with the Code of Ordinances.

Any violation of these conditions may result in a public hearing before the City Commission in order to determine whether this special exception use development order should be revoked, suspended or modified.

I understand that I am swearing or affirming under oath the truthfulness of the claims made in this affidavit and that the punishment for knowingly making a false statement may include the modification, suspension or revocation of any resolution adopting the special exception use application and any certificate of use associated with the special exception use approval.
